Showdown Is Expected Tonight In Feud Over Borough Dump

COUNCIL TO GET REQUESTS FOR TAX EXEMPTION

Freedom From Paying \$27,000 Asked by Residents

Council tonight will be asked to excuse borough residents of \$27,014 taxes.

Mr. Healy, veteran Pottstown industrialist and business leader who died the past Friday, will be held Wednesday.

A Requiem mass will be conducted at 10:30 a. m. in St. Aloysius Catholic church. The Rev. William M. Begley, rector, will officiate.

Representatives of both business and fraternal groups to which Mr. Healy belonged are expected to attend.

Even Columbus Would've Been Surprised Today

Today marks the 461st anniversary of Columbus' discovery of America, but for most Pottstonians it's "business as usual."

It wasn't America Columbus sighted on this date, however, (the encyclopedia tells us) but the Island of Guanahani in the West Indies.

That's enough history for the present. You'll have to know more than that before the teacher will let you stay home from school.

As a matter of fact, you better have a good excuse to stay home at all today.

Dr. George A. McCormick, Pottstown school superintendent, has announced that classes in all Pottstown's Public schools will meet as usual.

If you attend a parochial school, however, you have the day off. Both St. Peter's and St. Aloysius are closed.

TO GET an idea of the general view Pottstown residents have toward Columbus Day, a Mercury reporter called a few. Here are some of the answers. The first one: "Columbus Day?—it leaves me cold."

And another: "I've heard of it. Isn't that one of the days on which we used to get off from school?"

And, "I never even thought about it—it doesn't mean a thing to me."

Ready for business are all the banks. The same holds true for borough hall, where Burgess William Griffith commented, "It'll be business as usual for us," and we'll have no comment on that.

POSTMASTER J. Alfred Marquet said the postoffice would follow the same schedule as always.

Naturally, the police and firemen will be on the job—they always are.

It's Columbus Day in other parts of the country too, although you wouldn't always know it by the name.

In Alabama, they celebrate "Fraternal Day," in Indiana and North Dakota it's "Discovery Day," and in Wisconsin it's called "Landing Day."

One Mercury reader was of the opinion that if "Columbus hadn't discovered America, someone else would have, so why all the fuss."

That might have been much later on, though, and we would find ourselves in the prohibition era or in the middle of World War II, answered another Pottstown resident, when the question was put to her.

The bitter argument over who's responsible for the dump fire that stunk up the borough the past week may reach a climax at tonight's council meeting.

Borough Fire Chief Richard Lindauer said last night, "Representatives of the fire companies will be at the meeting tonight. We want a showdown on this issue."

The past Thursday night, Donald Woodley, borough garbage collector who is in charge of the dump, told The Mercury that he wasn't to blame for the fire and the smoke-fog that blanketed the area.

He said the blame lay with the fire companies and the borough. Fire Chief Lindauer snapped

back immediately, however, with statements blaming Woodley and his "improper maintenance of the dump" for the fire and smoke.

MEANWHILE last night, with the fire extinguished, more fuel was tossed on the red-hot officials' fight.

Robert Roth, chief of the Good Will Fire company, angrily stated that the whole dump issue would be thrashed out very soon.

"I'm speaking for the other firemen," he said. "We're definitely going to bring this thing to a head."

"Our company has been down on dump fires ten times in the past 15 months," he said. "And we're sick of it."

"We're getting together," he said, "to see to it that in the future that dump is run without fires. Otherwise..."

ROTH explained why his men didn't want to fight fires at the dump.

"First of all, you have to cope constantly with cockroaches that are as long as your thumb. They crawl all over you. The men are always in danger of stepping into soft holes. That stuff is 20 to 30 feet deep, you know."

"Then there are rats, hundreds of them. You have to eat that smoke. When you get back you have to change your uniform and burn sulphur bombs to clean the dirty ones and then you send them out to have them cleaned."

"And not once," Roth said, "have we ever charged anyone."

Church Talk Slated By Rep. McConnell

Congressman Samuel K. McConnell, of Montgomery county, is scheduled to speak before the Men's club of the Christ Episcopal church Oct. 25.

The talk will follow a Men's club corporate communion and breakfast. Ernest T. Handley, club president, said about 200 invitations will be sent out.

Rep. McConnell, chairman of the Labor committee of the House of Representatives, originally was scheduled to appear here next Sunday, but found that the date conflicted with his wedding anniversary and requested the postponement. His topic has not yet been announced.

Communion will be at 8 a. m., followed by breakfast at 9 a. m. in the Parish house.

Middle-Road Driver Causes Car Accident

Minor damage resulted yesterday afternoon when a Pottsonian swerved to the right side of the road into a parked car to avoid hitting an oncoming car "that was taking its half in the middle."

Driving the damaged car was Horace A. Ashworth, 53 Beech street. The accident occurred on King street between Evans and Charlotte streets at 5:15.

Ashworth told police he was driving east on King street when he had to swerve to the right to avoid being hit by a car that was "traveling in the middle of the road."

After hitting the parked car, Ashworth said, he kept going around the block and returned to the scene but by then the car was gone.

Ashworth's car had damaged right fenders, door and bumper.

Two Burglars Held After Confessing to 'Gas' Station 'Jobs'

Two men who admitted burglarizing three service stations, including Pete's Esso Servicenter, 717 North Charlotte street are being held in Berks county prison, pending a hearing.

The men are Don R. Kahle, 21, of Jamestown, N. Y. and Floyd V. Fischer, 31, of Lakewood, N. Y.

They were arrested by Scranton police at the request of State Troopers Elwood Krause and James Woods of the Reading barracks. Their automobile license number was noted during a patrol of Mount Penn early Thursday morning, and the number phoned ahead.

Thirty-eight dollars in bills and change was taken from an office drawer in the Pottstown station, according to owner Peter Pinder, Stowe.

The burglars admitted taking \$20. They also were reported as admitting to the theft of \$75 from a service station along the Philadelphia pike in St. Lawrence and admitted entering another station along the pike, but said they were scared away by a barking dog.

BOTH MEN were charged with burglary on warrants issued by Emil E. Rudolf, Cumru township justice of the peace. Woods is the prosecutor.

The burglary at Pete's Servicenter marked the third time in the past four years that a theft has been perpetrated there. About two years ago, a car was stolen, and four years ago, a safe was carried out and dropped into a ditch near the Colebrookdale railroad overpass, near which the station is located.

State police also reported that the men admitted robbing two service stations near State college Wednesday morning. Police said all the burglaries took place while the men traveled from their homes to Royersford, where they were visiting friends.

It was Police Chief Donald Frey, of Mount Penn, who first obtained the license number of their car. He said the men were acting suspiciously in Mount Penn, Thursday morning.

Police Chief Frank Noll, St. Lawrence, and Chief John Horine, Exeter township, also aided in the investigation.

Informal Nuptials Join Anne Edwards, Walter Bean Jr.

Anne Caroline Edwards became the bride of Walter Rhine Bean Jr. at an informal wedding performed Saturday afternoon in Augustus Lutheran church, Trappe. Mr. and Mrs. William B. Edwards, 156 Park avenue, Collegeville, are the parents of the bride. The groom is the son of Mr. and Mrs. Walter Rhine Bean, Penn drive, Rahns.

The Rev. Kenneth Sharp officiated at the double ring nuptials before an altar decorated with white gladioli and chrysanthemums. Guests were entertained before the ceremony with an organ recital by Mrs. Sylvan Bender. Given away by her father, the bride wore a gray wool fitted suit with white accessories. Her hair had a short veil. She carried a prayer book topped with white gardenias and white stephanotis on the streamers. The bride's sister Alice attended her as maid of honor. She chose a brown gaberdine suit with brown accessories.

Her nosegay bouquet was of yellow rosebuds and white carnations. Mrs. George Sutton, Eagleville, was the bridesmaid. She wore a blue gabardine suit with navy blue accessories. Her nosegay bouquet was identical to that of the maid of honor's. Performing the duties of the best man was James Morris, Norristown. George Sutton, Eagleville, was the usher.

Following the ceremony approximately 100 guests attended the reception at the home of the bride. To receive the guests Mrs. Edwards wore a beige wool dress with brown accessories and a corsage of yellow chrysanthemums. The groom's mother was dressed in navy blue jersey with navy accessories. She too wore a corsage of yellow chrysanthemums. To leave on their trip the bride wore her wedding suit with navy blue accessories and the gardenias from her prayer book.

When they return they will live at the home of the bride's parents. Mrs. Bean attended Collegeville-Trappe High school and was graduated from the Lincoln Preparatory school, Philadelphia, in 1953. She is employed as a practical nurse at the Eagleville Sanatorium. Mr. Bean attended the H. K. Boyer school in Evansburg and

UN COMMANDER GOES TO KOREA ON POW ISSUE

General Hull to Confer With Commission Officials

PANMUNJOM, Monday, Oct. 12 (AP)—Gen. John E. Hull, the new United Nations Far East commander, arrives in Korea today on a trouble-shooting mission aimed at starting the stalled "explanations" to 22,500 anti-Communist war prisoners.

He will talk at Munsan with Allied officers now deadlocked with the Communists over building a winterized "Explanation Center" for Red persuasion attempts.

Hull also will confer with Swiss and Swedish members of the Neutral Nations Repatriation commission. It is his first trip to Korea since taking over the UN Command from Gen. Mark Clark.

Another high-ranking American, Ambassador to India George V. Allen, is on his way to Korea from New Delhi. He will get first hand information on differences between the UN Command and the Indian custodian force guarding the 22,500 Chinese and North Koreans, 335 South Koreans, 23 Americans and one Briton who refuse to return home.

INDIA IS disturbed by South Korean threats to liberate the anti-Communist prisoners by force.

On Sunday, US Marine military police went on duty inside the Demilitarized Zone near the anti-Communist camp—apparently at the request of the Five Nation Repatriation commission, headed by India. The Marines carried M1 rifles and wore shiny steel helmets painted with this legend: "D Z Police."

King of the Beasts Has Humiliating 'Tale'

ALESSANDRIA, Italy, Oct. 11 (AP)—This is a sad and humiliating tale about the king of beasts and his tail.

Romeo, a circus lion here, tangled with a tiger through the bars of their adjoining cages. Romeo suffered such embarrassing injuries to his tail that it had to be amputated.

Now the circus managements want to sell him, saying "How can we display a hob-tailed lion?"

Newspaper Reports Officers Looking For Man's Body on Kidnaper's Farm

ST. LOUIS, Oct. 11 (AP)—The Globe-Democrat reported tonight that officers are searching for the body of Thomas John Marsh in the belief he may have been killed by Carl Austin Hall in a plot to make it appear that the missing Marsh was the slayer of 6-year-old Bobby Greenlease.

The newspaper, in a dispatch from Kansas City, said the search has been extended to the Nodaway county farm of Mrs. Bonnie Brown Heady in northwest Missouri.

Both Hall and Mrs. Heady have admitted the Greenlease kidnapping but have denied killing the child. Hall named Marsh, a convicted sex offender, as the killer.

"My guess is that Marsh is dead and that Hall is trying to make him the 'fall guy' in the murder," the newspaper quoted Buchanan county Prosecuting Attorney John E. Downs.

"The way it stands now it looks like an ingenious plan on Hall's part to implicate Marsh."

THE NEWSPAPER quoted Downs further as saying it is possible that Marsh was killed by Hall even before the kidnapping as part of a plot to accuse Marsh of being the killer, if Hall were caught.

Police Hunt Killer Skilled in Anatomy After Finding Woman's Hacked Body

NEW YORK, Oct. 11 (AP)—Police today spread alarm for a killer skilled in anatomy after the dismembered and headless body of a woman was found near Columbia university.

From fingerprints, police identified her as Kay Gibson, 33, who served a jail term for prostitution the past year.

Working on the first clue in the case, an anonymous telephone call telling them to look for a green Lincoln car, police learned the mystery caller had been driving a car of that description. Earlier they were told he was in a black Packard.

The woman's torso, clad in a beige sweater with a fashionable store label and a black brassiere, was found by a stroller at 2 a. m. in an expensive leather suitcase on a sidewalk near Columbia's campus.

FIVE HOURS later dissected legs were found a block away, wrapped in newspapers and four paper bags atop a curb-side trash can.

Still missing were the victim's head and three fingers of the left hand which police said may have been removed in an effort to prevent identification.

In the suitcase with the body were a man's undershirt, a white towel, a ruffled curtain

SEN. KEFAUVER ASKS AIRING OF DEFENSE POLICY

Says People Entitled To Facts on Atomic Attack

WASHINGTON, Oct. 11 (AP)—Senator Kefauver (D-Tenn.) said today the people are entitled to know if the joint chiefs of staff believe America's larger cities can't be defended against atomic attack.

Kefauver, a member of the Senate Armed Services committee, said in an interview that if atomic retaliation against an aggressor is regarded by the Nation's military chiefs as the best defense, the public should know that.

"I don't go along with the philosophy that we can afford to sacrifice masses of population in our big cities in case of an attack," he said. "I think something can be done to defend those cities and what can be done ought to be done, whether the budget is balanced or not."

The Tennessee senator said he will not be satisfied with an investigation of Continental defenses that Committee Chairman Saltonstall (R-Mass.) said is underway unless there is public testimony on defense policies by Secretary of Defense Wilson and military leaders.

"I think Admiral Radford should come in and say whether the joint chiefs feel there is no adequate defense except offense," he said. "Of course, some testimony could not be made public, but that pertaining to policies could."

Adm. Arthur W. Radford is the new chairman of the joint chiefs.

Yugoslavia Cancels Military Leaves, Threatens to Use Troops in Trieste

BELGRADE, Yugoslavia, Oct. 11 (AP)—Yugoslavia canceled all military leaves today a short time after President Tito angrily warned that he would send troops into Zone A of Trieste "at the moment" as well as to regulars. More than 65,000 troops, about two-thirds of them reservists, participated in the exercises.

The new order applies to troops who were called up for the past month's army maneuvers—largest here since the end of World War II—so well as to regulars. More than 65,000 troops, about two-thirds of them reservists, participated in the exercises.

At the same time, Col. Gen. Kosta Nadj, commander of the Zagreb military district, where the maneuvers were held, was reported in Yugoslav-administered Zone B of Trieste inspecting the troop garrison, which has been reinforced in the past 24 hours.

(US Naval officials in London said there were three American destroyers at the port city of Trieste today, but said they were there on routine business not connected with the present crisis. British and American troops were getting ready to pull out of Zone A, but British diplomats predicted it would be six weeks before the withdrawal was completed.)

THE UNITED STATES and Britain—with 7000 troops now occupying Zone A, which includes the strategic port city of Trieste—announced the past week that they were pulling out and would turn administration of the zone over to Italy.

Yugoslav forces now occupy Zone B, surrounding Zone A, and a responsible American observer said last night he saw Yugoslav troops, tanks and artillery converging on the Free Territory.

Addressing a rain-drenched crowd estimated at 250,000 in the Macedonian provincial capital of Skopje, Tito declared:

"We are watching the Italian moves closely, and we will do so in the future. And, at that moment, when the Italian soldiers enter, we will enter also."

INTESTINAL FLU FBI Assistance Sought in Search For Fugitive Wanted in Pike Slayings

President Cancels Plans To Attend Church Services

WASHINGTON, Oct. 11 (AP)—President Eisenhower was confined to the White House today with intestinal flu, but a spokesman said the President is expected to be in his office tomorrow.

The attack caused Eisenhower to cancel plans to attend church services, and Mrs. Eisenhower also remained at the executive mansion with the President. They had planned to attend services at the National Presbyterian church, along with members of the local chapter of the National Federation of Business and Professional Women's clubs.

Murray Snyder, assistant White House press secretary, said Maj. Gen. Howard McNider, the President's personal physician, reported that Eisenhower plans to resume his official duties tomorrow as usual.

The President's illness brought no announced change in a heavy schedule of travel during the coming week. Eisenhower is to go to Hershey, Tuesday evening for a Republican rally celebrating the eve of his 63d birthday, and he leaves two days later for appearances at Kansas City, Oct. 15, New Orleans, Oct. 17 and Falcon dam, on the Texas-Mexico border, Oct. 19.

Koehler said Crosby complained of a wrenched back and is being treated by a private physician at his home. Both cars were towed from the accident scene.

PITTSBURGH, Oct. 11 (AP)—State Police Maj. Andrew J. Hudock said today the FBI will be asked to join the spreading search for a "highly dangerous" fugitive wanted in the slaying of two truck drivers on the Pennsylvania turnpike.

Hudock said he will confer tomorrow with Westmoreland county Dist. Atty. L. Alex Sculco about a formal request for FBI assistance in the hunt for John Wesley Wable, 27-year-old industrial plant guard.

Ballistic tests by State police at Harrisburg, showed a foreign-made pistol believed owned by Wable was used in the two killings and wounding of another truck driver the past July.

Sculco said a murder warrant has been issued for Wable in the shooting of Harry F. Pitts, 39, Bowling Green, Va., and Lester B. Woodward, 39, Harrisburg.

The two men were shot in the head as they slept in their parked trucks along the super highway. Their bodies were found within three days of each other. Police said both had been robbed.

JOHN K. SHEPARD, 34, of West Alexander, was shot in the head and critically wounded a few days later as he slept in his truck on the western approach to the turnpike near Lisbon, Ohio. He is recovering.

A watch stolen from Shepard put police on Wable's trail. It turned up at a pawn shop in Cleveland, where the fugitive had been working at an industrial plant.

Police said Wable has been

JOHN WESLEY WABLE

identified as the man who hocked the watch and also as owner of the foreign-made pistol used in the slayings. The pistol was found in a rooming house from which Wable had fled.

Since Thursday police have received hundreds of tips that Wable has been seen in different sections of Ohio and Pennsylvania. All have proved fruitless.

Major Hudock said the FBI will be asked to enter the hunt "since a thorough search of the State has failed to turn up a concrete clue."

Jaycees Will Back Hallowe'en Parade
With a series of meetings having taken place by members and committees of the Boyertown Junior Chamber of Commerce, it has definitely been decided that a Hallowe'en parade and a night of fun for all children of Boyertown and immediate vicinity will again take place this year.

For almost a week it appeared as though there might be no parade or observance of any kind this year as, the former sponsors of the event, the Community Activities fund of the Boyertown Businessmen's association, had decided not to conduct the affair because of lack of funds.

The exact date, time, place, route of parade, prizes and other details of the celebration, are expected to be announced—the latter part of this week after several more committee meetings are held.

Jaycee committeemen making arrangements for the affair are Wilbur Savage, chairman; John Hawkins, Daniel B. Boyer Jr., William Mercer, H. Douglas Rose, William S. Hollenbach, Gerald R. Grabert, Herbert Snyder, Robert W. Lange, Samuel McKinstry and Willard Haring, president.

Turns Back on Fire, Acre of Brush Burns On His Kin's Land
The Boyertown fire department was summoned yesterday afternoon at 2:55 o'clock to a field fire on the property of Robert Gresh, near Little Oley.

Gresh's father-in-law, Daniel Herbst, had been burning rubbish and after turning his back from the fire for a short time, the blaze started in a field containing peach trees. After a futile attempt to quench the flames by himself, he ran to the house to summon Boyertown firemen.

Members of the Friendship Hook and Ladder company, headed by Fire Chief Jack Stauffer and the Keystone Fire company with company president LeRoy Bender, on the scene, confined the burned area to approximately one acre. None of the fruit trees was destroyed and no buildings were in immediate danger.

The firemen used streams from each of the company's booster trucks as well as Indian tanks and rakes.

Church Makes Effort To Rally Man-Power
The Rev. Harper L. Schneek, pastor of the Church of the Good Shepherd, Evangelical and Reformed, Boyertown, announced that next Sunday night's service will be in honor of the men.

Schneek stated that a special program has been arranged for the 7:30 p. m. service and has extended a special invitation to all the men of the Sunday school, consistory, Brotherhood and all other church organizations to be sure to attend, along with their entire families.

Church Hears Report on New Jersey Convention

Mrs. Donald Floyd Tells of Hearing Eisenhower's Speech at Assembly

Trinity Evangelical church members heard a first hand report on the Atlantic City assembly of United Church Women yesterday morning.

Mrs. Donald T. Floyd, wife of the pastor, who was the only Pottstown representative at the assembly, spoke at the morning service.

She explained that she represented the local Council of Church Women, of which she is past president.

"It was a thrill to be there and feel oneself a part of such a great movement," she said.

She added that she mingled with Christian leaders from every state in this country and also from abroad.

"As a member of the committee working on arrangements for the coming World Day of Prayer," she explained, "it was my privi-

lege to meet many fine women from other countries."

She told also of being present when President Eisenhower addressed the assembly.

"I was sitting only about 30 feet from the platform when he spoke," she recalled, "close enough to see the twinkle in his eye."

Subjects discussed of the assembly included segregation in schools and what to do about it, Mrs. Floyd said.

She asked the congregation to keep informed on the subject, which is now before the Supreme court.

Another subject that concerned the assembly, she reported, was the refugee problem.

"We have 214,000 refugees in the country," she said, "and church

women should do their part to help them."

She said that Christ calls each one to move forward to Christian perfection.

"We should seek a deeper fellowship with our fellow men whether they are 'our kind' or not," she pointed out.

SHE TOLD the congregation that "while compromise weakens con-

MRS. DONALD FLOYD

viotion, self-righteousness is also an evil."

Christians should seek to break the barriers that separate groups of people, she said, concluding "it is not enough to have missions—we should make each church a mission."

Mrs. Floyd spoke in the absence of her husband, who delivered the rally day sermon at Boulevard Evangelical church, Allentown, yesterday morning.

Rev. Maris Griffiths Takes Part in Opening of Services

Six Pottstonians took part in the opening service of a "deeper life crusade" at Evansburg last night. They included the Rev. Maris H. Griffiths, pastor of Evansburg Methodist church, where the series of meetings are to be held.

The others were members of a male singing quartet from First Methodist church and their accompanist.

Members of the quartet were Norman Smith, Russell Cannell, Gordon Shanabrook and Arthur Switzer.

Mrs. Russell Ober was the piano accompanist.

Another Pottstonian, the Rev. Ira W. Bechtel, presiding elder of Holiness Christian church, will be guest speaker at the Oct. 25 service.

The crusade will continue for the next three weeks, with services each Sunday night at 7:30 o'clock. "Our aim is to deepen the spiritual life of the community and to encourage interest in evangelism among laymen," the Rev. Griffiths said.

Flowers at St. John's Lutheran, South Pottstown, yesterday were given by the altar guild. Mr. and Mrs. Samuel Root sponsored the church bulletin.

New officers of First Brethren's board of Christian education are Mrs. Hazel Neff, chairman; Mrs. Irene Covey, vice chairman; and Mrs. Mary Wanner, secretary.

Mr. and Mrs. Kenneth Leven-good presented flowers at the church yesterday in honor of

their wedding anniversary.

First Methodist's WSCS study class will meet at 7:45 tomorrow night at the home of Mrs. Ivan

installation ceremonies for both Luther league officers and teachers and officers of the Sunday school yesterday.

Mrs. Dan Reifsnnyder and Mrs. Dan Shaner will be co-hostesses at the meeting of the Women's guild of St. Paul's Walnut street Reformed tomorrow night. The guild will meet at Mrs. Reifsnnyder's home at 8 p. m.

David S. Martin will lead the Seventh Day Adventist prayer meeting this week. It will be held at his home at 8 p. m.

Mrs. Ernest Kulp will be host to Emmanuel Lutheran's Girl Scout troop committees at her home to night. The meeting begins at 8 o'clock.

The ushers' league will meet, same time at the home of Dr. William C. Waltemyer.

Mrs. Joseph Fritsch and Mrs. Horace Skean will be hostesses at the 8 o'clock meeting of First Presbyterian guild circle tomorrow night at the church house.

Christ Episcopal's teacher training class will meet on Wednesday night at 8 o'clock.

Second Baptist will hold a week-long celebration beginning tonight in honor of the Rev. Heywood L. Butler's 15th anniversary as pastor.

A service in charge of a different church auxiliary will be held each night, with sermons by visiting pastors.

Flowers at Trinity Reformed church were presented by Mr. and Mrs. James Dickson in memory of Mrs. Dickson's father.

Trinity Reformed church held special services for a double occasion yesterday.

It was rally day in the Sunday school and also the 20th anniversary of the pastor's ordination to the ministry.

The pastor, the Rev. John B. Frantz, heard an a capella anthem sung in his honor by the choir at the church service. It was "Benediction," by Lutkins.

Guest speaker at both church and Sunday school was the Rev. Dr. Charles E. Schaeffer, Philadelphia. In church he spoke on the topic, "What Is the Ministry For?"

DR. SCHAEFFER was supply pastor of Trinity church just before the Rev. Frantz came here in 1943. He also was a member of the committee from the synod at the present pastor's installation.

At present, Dr. Schaeffer is secretary emeritus of the board of national missions of the Reformed denomination.

Attendance at the services included 300 at Sunday school and about 350 at the worship service.

In addition, almost 200 well-wishers visited the parsonage during open house there yesterday afternoon.

Russell A. and Daniel E. Bechtel, both ministerial students, read Scripture for the morning service.

JUDGES TAKE OATH

JERUSALEM, Oct. 11 (AP)—Eighty-two Israeli judges took new oaths before parliament today under a recently passed "Judges' Law" assuring the judiciary branch of complete independence from the executive branch of the government.

Another rally service was held at the church yesterday morning. The Rev. I. J. Brobst, superintendent of the Evangelical home for the aged, was guest speaker.

The Rev. Edward S. Horn, pastor of the host church, will pronounce the benediction when the groups reassemble for closing.

The Pottstown area conference is held throughout the Philadelphia synod.

Phonograph Records Establish Christianity

NEW YORK, Oct. 11—Shortly before World War II an American missionary in Africa distributed 10,000 phonograph records containing a Christian religious message to the native chiefs of outlying villages where missionaries seldom visited. The American missionary, the Rev. L. K. Anderson, had done some checking and found that most villages in the area had phonograph equipment.

Several years later when other missionaries visited the outlying villages, they found that Christian communities had been established without the services of a religious counselor. The villagers had acted solely on the message contained in the phonograph record.

This incident was cited recently by the Rev. W. Burton Martin, an audio-visual materials expert who left Sept. 29 for Africa, where he will head up the first intensive survey of the availability and use of mass communications media for religious and educational purposes in Central and South Africa.

His delegation of audio-visual experts also will conduct a series of training institutes on the use of audio-visual materials. These institutes will be attended by missionaries stationed in Africa and native African Christian pastors.

DR. SCHAEFFER was supply pastor of Trinity church just before the Rev. Frantz came here in 1943. He also was a member of the committee from the synod at the present pastor's installation.

At present, Dr. Schaeffer is secretary emeritus of the board of national missions of the Reformed denomination.

Attendance at the services included 300 at Sunday school and about 350 at the worship service.

Hill Wins 3d Straight, 31-0

Every player on the Hill School squad saw action Saturday as the Hillers took an easy 31-0 win over Williamson Trade school.

It was the third win of the season for the Blues.

The game was tight all through the first half, with Hill School only able to chalk up one touchdown in the second period.

In the closing minutes of the first frame, Walt Levering returned a Williamson punt from his own 31 to the Trade school's 47. Kanie Smith picked up three yards through the line, and captain Pete Jones followed up with five more, after which Smith carried for a first down on the Williamson 36. Steve Pyle went to the 30, and Jones to the 23, then to the 20 as the quarter ended.

Levering scored in the opening minutes of the second period. Jones carried to the six, but Levering was thrown back to the Williamson eight. On the next play Levering took Pyle's handoff and went off right tackle for the score. Dave Riordan's kick was good.

In the third quarter the lack of subs for Williamson began to tell, as the first-stringers became tired.

Four plays after the kickoff, Levering bulled his way over right tackle for the score. Riordan's kick was no good.

After Hill's kickoff to Williamson, Hill fullback Rufus Safford intercepted Pete Zimmerman's pass on the Williamson 30 and traveled to the visitor's 15. Dave Reidenour carried to the seven, and Safford scored from there, going off right tackle. Again Riordan's kick was no good.

SAFFORD SCORED his second TD in the last stanza after Bill Peabody took Reidenour's pass and went to the Trade school four. The pass covered 48 yards. Safford took the handoff and plowed through for the tally. Sammy Horner's try for the extra point was no good.

Reidenour scored the last TD of the game on a spectacular 40-yard run.

Handling the ball on an optional play, the speedy quarterback took advantage of Horner's key block to go the distance. Peabody's conversation attempt was no good.

Schwenksville Beats Upper Dublin, 13-12, As Kerschner Stars

The long wait for victory finally ended the past week for Schwenksville High as the Bluebirds won two games under their new coach, Paul Bingham.

The Schwenks came from behind to down Upper Dublin 13-12, at home Saturday afternoon. Earlier in the week they had upended the Perkiomen school jayvees, 31-0, as Ted Kerschner scored five touchdowns.

Kerschner also played an important part in Saturday's win as he scored a touchdown and threw a pass to Jay Fisher for the game-winning extra point in the third period.

The Dubliners scored first in the opening stanza as quarterback Bill Surgenor pushed over from the three-yard line to cap a long march. The visitors made it 12-0 in the second period when fullback Bruce Elton covered the final eight yards for his team's second tally.

THE BLUEBIRDS got one TD back before the half ended. It came on a pass play from Kerschner to end Bob Reifsnnyder that covered 65 yards. The pass traveled about 20 yards in the air and Reifsnnyder legged it the rest of the way.

The winners' second touchdown was set up on another pass, thrown by Kerschner to Fisher. Jay caught the 10-yard heave near the Upper Dublin 20 and spun away from several tacklers to drive down to the one. Kerschner dove over center for the score.

He then passed to Fisher for the extra point.

Center Tom Newrock and guard Charlie Kulp were outstanding on defense. Al Loughery, in addition to doing some fine running and passing, made a pair of timely interceptions.

Bluebird fullback Mike Hader came through with several important short gains into the center of the line.

Now standing 2-1, Schwenksville will prepare for its game with North Coventry on Thursday night at Norco.

Bears Jar Shamrocks
Roy Reideill's plunge through the center of the line for an extra point provided the margin of victory for the Pottstown Bears yesterday as they eked by the Shamrocks, 7-6, in a game played at Far fields.

Both teams scored in the final quarter. The SROCKS scored on a pass play from Bob Weiser to George Carter, and a few plays later Ernie Haines bucked through center and went 18 yards for the Bears' marker. Reideill plunged for the winning point.

A BEAR ON THE MOVE—Crashing to earth after gaining six yards is Billy Endy, one of Boyertown's top ground gainers in the 30-14 win over Norco on Saturday. About to dive on Endy is Norco halfback John Brower. Other Norco players identified as Larry McAfee, 24, Jim Olexa, 30 and Bob Hewitt, 21. The Boyertown players seen are Jim Heydt, 27; Pete Fronheiser, 29; Duke Snyder, 26; and Greg Lignelli, at right.

Boyertown Overhauls Norco, 30-14

Upper Perkiomen Defeats Muhlenberg, 13-7

By ED TAGGERT

Charlie Fronheiser, dealer in headaches, disposed of the one he got a week ago at West Reading and inflicted it on North Coventry the past Saturday.

The scrappy Boyertown fullback ran wide and wild in the second half against the Norco Wildcats to lead his club to a 30-14 win, its third of the campaign against one defeat.

It was a comeback victory as Norco, looking for its first triumph in two starts, led 14-6 at halftime.

A concerned Bear came back from the dressing room and promptly launched its best ground attack of the season in the third quarter. And just about everywhere Charlie went the ball was sure to go.

Taking pitchouts from quarterback Greg Lignelli, Fronheiser averaged better than 10 yards on the nine times he carried the ball in the second half and scored two touchdowns. The Bears scored once in the third period to narrow Norco's lead to two points and then pounded out three more tallies in the final session to reach the 30 mark for the second time this season.

Norco was not without its stars, but practically all their heroics were confined to the first half. Halfback Ron Domin ran 85 yards with a kickoff return in retaliation to a touchdown the Bears had scored minutes before. The eventual victors were numbed by this play and it fired up the Wildcats to the point where the fans sensed an upset.

The Bears broke the scoring ice near the end of the first period when Dave Erb went around right end for 16 yards. The little halfback skipped away from two tackles behind the scrimmage, then straight-armed another at the 10 and managed to stay inside the flag as he was hit on the goal line. Ralph Borneman's extra point attempt was blocked.

PENALTIES had mired the Wildcats deep in their own territory all during the first quarter, but all their misfortune was forgotten on the ensuing kickoff.

Dave Clemens took Borneman's boot on the 35 Domin came around for a reverse from Clemens and raced up the center of the field. At the 30 he breezed through the line of Bear defenders. It was a thin line and once through, Domin had clear sailing as a couple of trailing blockers gave him protection.

Bob Hewitt booted the extra point and Norco was on top, 7-6. Boyertown's Duke Snyder fumbled a punt on his own eight and Norco recovered late in the second period. Two line-backs by fullback Bill Whitlatch moved the ball to the four, but a 15-yard penalty, Norco's third of that length, moved coach Al Brown's team back to the 19.

Undaunted by that turn of events, Clemens whipped a pass deep and down the middle to halfback John Brower who was behind the Boyertown defenders in the end zone. Hewitt again converted and the Wildcats led by a big eight points as the half ended.

Coach Warren Fry shifted his running attack from inside to outside and Fronheiser was the boy who made it click, along with some timely blocking from his mates.

The Muhlenberg Muhls played host to the Upper Perkiomen Indians Saturday, and wound up being skinned by a 13-7 count.

Two long payoff runs, one by Terry Fetterman, and another by Del Fritz, plus the booming kicks of Bob Smith spelled defeat for the Muhls, who were going for their second win in three starts.

With Don Stoudt, calling the plays and lugging the leather, the Muhls worked their way down to the Perk 13 in 13 plays after the opening kickoff.

Stoudt passed, ran, bootlegged, and pitched out to lead the Muhls on their downfield drive, but after getting as far as the Indian 13, Perk signal caller Fetterman dropped Stoudt back on the Perk 29.

Then Del Fritz went into his act to the Indian upriving.

Stoudt faded back, heaved, and the glue-fingered Fritz snagged the ball on his own 20, shook off several would-be tacklers, and streaked down the left sideline for an 80 yard jackpot jaunt.

Smith's conversion attempt was no good.

The second play after the kickoff, Frank took a pitchout from Stoudt and was on the way, rambling from the Muhl 24 to the Muhl 4, but just as he was about to break away, Fritz tagged him to put the clamps on the Muhls only scoring opportunity of the opening stanza.

Early in the second period, Smith's kick from his own 40 pushed the Muhls back to their own 10.

FETTERMAN THWARTED the Muhls second all-out aerial attack, when Geiss took Stoudt's screen pass on his own 30 and traveled to the Indian 45 before being nailed by Fetterman. Stoudt tried another pass, but bobbed the ball and the Indians recovered on the Muhlenberg 45.

After Fritz carried to the Muhls 32, a penalty put the Indians back on their own 40, and on the next play Barry Bates intercepted Fetterman's pass to set up the Muhls only tally.

Stoudt's loss to Dick Eylich was good to the Perk 20. Scheid tried right end to pick up one yard, and Geiss went in the opposite direction to the 16. Stuart Pyle went off left tackle to the 11, and Geiss went over from there, going off right tackle after taking Stoudt's handoff.

Cyphers' placement was good and the Muhls moved into a one point lead.

Smith carried the kickoff from his own 5 to the Perk 33, but the Indians made no headway and had to kick. The Muhls were held for a series of downs, and Ron Schaeffer punted to the Indian

Cols Ride High in 38-25 Victory

Rolling up a total of 480 yards on the ground and in the air the Colonels of Collegeville raced to a 38-25 win over the previously unbeaten Sunsets of Wyoming on Saturday.

Fran McManus and Bill Yeagle shared scoring honors for the Cols as they topped their second win in four starts. Long runs were the style as Yeagle, Tom Nolan and Gerry Hefelfinger broke loose time and again.

McManus, who did most of the team's passing scored on a pet play of the Cols that has been highly successful for them so far this season. After giving the ball on a lateral to Hefelfinger, McManus cut through the line and took a pass from Gerry good for nine yards and a TD.

The Cols scored again in the second period as Yeagle capped a 74-yard scoring drive by going the final yards around end.

BUT THE SUNSETS, who won their two previous starts over Schwenksville and Upper Dublin, bounced right back with a pair of

25 where Fritz fumbled. Cyphers grabbed the loose ball and went for what could have been the winning TD, but the officials ruled the ball dead, killing the Muhls last chance in the first half.

SMITH BOTTLED the Muhls up in the closing minutes by rocking them back on their heels with a kick that carried from his own 15 to the Muhl 40. A penalty on the play put Muhlenberg on the 26 as the half ended.

Early in the third period, after a series of handoffs and pitchouts by Fetterman failed to click, Smith again booted, this time from his own 20 to the Muhlenberg 34 where the ball rolled dead. Stoudt's passing and Geiss' running netted nothing, and Schaeffer booted from his own 20 to the Perk 35, where Fetterman reversed his field, emerged from a pile of groping Muhls, and sailed 65 yards for the score. Smith's dropkick was good.

A Smith kick from his own 35 that went out of bounds on the Muhlenberg 9 put the stubborn Muhls in the hole as the quarter ended.

As the last frame opened, Fritz roared off right tackle and tarveled 18 yards to the host's 12. Two plays later he skirted right end to the 10. Smith's pass on last down into the end zone was intercepted by Stoudt, who came out to his own 22 to save the Muhls from another scalping.

A SERIES of passes and handoffs by Stoudt that brought the Muhls up to their own 42 fell as flat as a young bride's biscuits, as Jack Schmoeyer fell on Dick Eylich's fumble of Stoudt's jump pass.

The Indians stymied the Muhls throughout the rest of the game, with another Smith kick, this time from his own 35 to the Muhl 15 helping in the bottling-up process. A Muhl fumble and a clipping penalty didn't aid their cause either.

The game ended with the Indians knocking at the door again, this time on the Muhlenberg 12 after Kenny Bozell recovered a Stoudt bobble on the 17.

Every guilty deed holds in itself
the seed of retribution and undying
pain.—Henry Wadsworth Longfellow.

End Tax-Dodging Racket

THIS is the time of year when the Pottstown
tax collector presents to borough council
a huge bundle of pages indited with thousands
of names.

This is the list of exonerations requested
for school per capita, occupational and borough
occupational taxes.

The usual procedure following such present-
ing of the list is for some councilman to
make a motion that the tax collector be
exonerated from collecting the taxes.

Up to 1952 this merely was a formality.
The list was approved and the taxes went un-
collected.

But the past year something of a
record was set when the tax collector
asked that something like 2400 persons
be excused from paying taxes in Potts-
town. He presented a bundle of some 45
pages of single-spaced names that
knocked the breath out of economy
minded councilmen.

Not only was this a record list, but the
amount of excused tax-paying amounted to
more than \$50,000! It was broken down as
follows: per capita, \$10,710; school occupa-
tional, \$21,967, and borough occupational,
\$17,438.

This \$50,000 request made councilmen
gasp, resulted in a plea that the list be
examined carefully to see if some money could
not be salvaged. After all, both borough and
school board were direly in need of money.
They could not afford to lose the huge sums.

It seems advisable that the borough
and school district should go over such an
exonerations list with a fine tooth comb.
Some of the excuses for non-payment of
taxes appear flimsy. Like "too old." Or
"ill health," or "deserted by husband" or
"widow, unable to pay."

Certainly there are some hardship cases.
Mercy dictates that many aged and destitute
should be excused from paying taxes. But the
professional tax-dodger should be made to
pay to protect the conscientious taxpayer.

Pottstown's school teachers, in a borough-
wide canvass early this year, performed a
magnificent job of restoring thousands to the
taxrolls. Their work should not be undone
by lackadaisical councilmanic treatment of
the exonerations list.

The logical treatment of the tax-
excuse request would be to put off any
exonerations until the finance committee
and the borough assessor have time to
search out every name.

Were it not for the harm that might be
done the innocent, it would be a good idea
to publish the names of those seeking tax
exoneration. That would expose those who
dodge paying their just taxes, yet obtain
the services of the municipality.

A Signal Honor

THE most signal honor that ever came to
a Pottstown musical organization was ac-
corded the Pottstown Band when it was
designated to play for President Eisenhower's
Hershey birthday party Tuesday.

Of all the bands in the State, of all the
wonderful, older organizations, the Potts-
town Band was picked. That's really a boost
for the community. Pottstown has done it
again!

It's a personal honor, too, for the band
leader, William F. Lamb Jr. Mr. Lamb
has played for President Ike often, only
then it was General Eisenhower and the
locale was Europe. Now he'll be able to
play for his commander on home soil.

Pottstown's handmen must be happy
with the honor. You can bet they'll beat those
skins, and blast those horns like they never
did before to honor the president!

The Key To Peace

IN 1941, the Laymen's National Committee,
a strictly non-sectarian organization, first
sponsored National Bible Week. The idea
was, and is, to encourage everyone to read
the Bible a few moments each day, in the
belief that this will help greatly in solving
our individual and collective problems.

This year the week will be observed for
the 13th time, beginning October 19.
The theme is, "The Bible, the Key to
Peace."

A better theme could not have been
chosen. For certainly it is clear that if
peace ever is to come again to this trou-
bled world, there must be a tremendous re-
surgence of spiritual values—and of those
principles of conduct which the Bible stands
for.

Read your Bible during the week—and
every day thereafter.

PUNKIN CORNERS,
October 11.
Editor, The Mercury,
Dear Sir 'n' Brother:

Wal, I see by The Mercury where Prof.
Auguste Piccard rode a diving box 10,000
feet down into the sea for
a new record. I wonder if
he wasn't trying to get
away from all that Potts-
town garbage dump fire
stench!

A news item says there
are five million square
miles of salt in the earth's
oceans. You'd never guess
it the way some restaurant
cooks try to save it.

And say: An astron-
omer says the earth eventually will
freeze solid, or burn up and be smashed in
collision. What, we have a choice?

Hopin' you air the same,

READERS SAY:

Wife Demands End to Strike

Deplores Strike

To the Editor: I am a wife of one of
the Flagg employees who was forced out
of work by the "so-called" strike. I say
"so-called" because about 70 percent of
the workers did not want to strike. This
is a strike created by an organizer and
union officials.

These officials hold no meetings to
allow the workers to learn what is being
done for their benefit! They just sit
and wait, hoping some miracle will hap-
pen that will allow them to "save face,"
after making their unreasonable de-
mands.

The other unions in town, also pledge
their support—but only because they are
working—they have nothing to lose!

We, the wives and mothers, have to
sit by and watch our families without the
necessities of life—going further into debt
—Or watching our small savings dwindle
day by day while these union officials do
nothing.

Come on, wives and mothers—unite
behind those who want to work and let's
have Christmas in our homes, too!

Pottstown JUST A MOTHER.

Sticks to Definitions

To the Editor: One expresses his com-
position by the words he uses. The per-
son who wrote in criticizing baseball
("Baseball Is Bunk," Readers Say, Oct.
7) perhaps is a little unbalanced, men-
tally or physically, but surely is incon-
sistent.

He uses the adjective heady in his
description of the game of football.

Definition of heady: apt to affect the
head.

This may well be the meaning he
meant Who knows?

As in the consumption of food, we

should have a proper diet. This also ap-
plies to the balancing of sports.

I shall conclude by saying humorously,
Vic Janowicz (all-American from Ohio
State, now with the Pittsburgh Pirates)
is a pampered, glamorous, dainty boy.
Why didn't he pursue football as a
career?

Draw your own conclusions.

Sees Evil Omen

To the Editor: I don't like all these
things appearing in the sky all of a sud-
den. It's bad enough with meteors,
which you can explain, but how about
all these others flying lights and things
that nobody knows what they are?

I think it's an evil omen.
Something pretty big and pretty bad
is going to happen mighty soon.
Pennsburg P. P. R.

Sick of Saucers

To the Editor: I am bored to tears
with the constant reports of "flying sauc-
ers"—"whizzing fireballs"—and the
other weird imaginings of people with
more gullibility than brains.

Nobody saw any of these improbable
sights until the movies and TV shows
about invaders from space put the idea
into their silly heads.

Scientists have often assured us that
there is no highly developed life on other
planets, but the numbskulls among us
would rather believe the "science fic-
tion" type of scientists.

Back in the Dark Ages, people be-
lieved in an invisible world full of evil
spirits. It took an awfully long time to
convince them that a person is not pos-
sessed with demons when he's sick.

It wasn't unusual to meet Satan him-

self a couple of hundred years ago.

It wouldn't surprise me these days to
hear a person swear he'd entertained a
couple of men from Mars at dinner.

Traffic Rules

To the Editor: Pottstown's scare signs
about "Warning, Speed Trap in Opera-
tion" won't stop recklessness or speeding.
Likewise, Pottstown policemen won't
enforce the law. They pass up all sorts of
violations daily.

Here are my rules to cut down traffic
accidents:

1. Have all cars tested once a year for
defective equipment. The owner would
be given 15 days to put his car in good
condition or otherwise keep it off public
highways.

2. Have all drivers take a test at least
every three years, and also be given a
short course in safe driving.

3. Raise the speed limit to 65 or 70
miles per hour on the open road. Drivers
would be subject to arrest at any speed
for reckless driving.

4. Have a larger highway patrol force,
in camouflaged cars of all makes and
colors.

5. Stricter enforcement of speed laws
in "posted areas."

6. Post the safe speed on all curves
and danger spots.

7. Have a group of five men driving
around the state studying driving habits
of the motorist and studying all roads for
danger spots, making suggestions to the
state highway department.

8. Outlaw all neon signs of red or
green. Red and green should be for
traffic lights and emergency vehicles
only.

The Worry Clinic

By DR. GEORGE W. CRANE

LAURA J. is an attractive married
woman. "But, Dr. Crane, I simply can-
not sleep," she protested miserably.
"I am a victim of constant insomnia.
And the more I try to fall asleep, the
wider awake I become.

"Finally, I asked my physician for
sleeping pills, and have been taking
double doses of them.

"They help me somewhat, but I am
taking such big doses I wonder if it is
good for me.

"But what else can I do to get a good
night's sleep?"

BEWARE OF sleeping pills! They are
the disgrace of modern America.

And quit worrying about insomnia.
Nobody dies of insomnia, so why be so
scared of it?

It makes little difference whether you
sleep at night or lie awake providing you
stay in bed.

For the main purpose of sleep, any-
way, is to keep you off your feet and in
the horizontal plane.

That position lowers your blood pres-
sure and slows down your pulse rate, so
your heart thus obtains a double rest.
And that is the primary aim for sleep.

So if you can't close your eyes and
instantly drift off into deep slumber,
don't fret about it. Lie there and think.

Or turn on a bed lamp and read some
educational book. Try the Bible. Read a
few chapters each night in the New
Testament.

Or take a copy of a general magazine
and thumb through the pages till you
fall asleep. For it is much better to do
this than to become an addict of sleeping
tablets.

AND DON'T prod yourself with cafe-
line beverages just before you go to bed.
For they act as a nerve stimulant, which
is just the opposite of what you need at
bedtime.

Some Americans will fill up on coffee
or cola beverages just at bedtime: then
fret themselves into a nervous "stew"
because they can't relax enough to sleep.

So they swallow a couple of sleeping
pills to offset the exciting effect of their
caffeine drinks. In cases like this, just
omit the drinks and you will probably
relax into deep sleep.

A cup of hot milk or a bowl of milk
toast will likewise promote sleep, so it
isn't a bad idea to eat before retiring,
unless you are trying to diet.

TOMATO PICKERS—There was a big
rush to the farm of S. Harvey Kulp, near
Kenilworth, when the farmer announced
his tomatoes which are threatened by
frost could be picked at 50 cents per
bushel. Kulp has an estimated 400
bushels of tomatoes on nine acres of

ALL AROUND THE TOWN

Goblins Are Out...

Hallowe'en Is Early...

★ TRICK OR TREAT—It's almost time
(if it hasn't started already in your
neighborhood) for spooks and witches
to haunt your door, so better be ready
with treats for all the Hallowe'en spirits
that ring your doorbell!

Hallowe'en holds sway across the
Christian world both as a children's night
of delight and masquerade and as a
solemn religious observance. But in the
tangled history of this strange holiday,
it was not always so. When youthful
goblins in gargoyle masks race through
Autumn's leaves and bonfires blaze in
the dark, centuries fall away to a time of
grim pagan rites well documented by
anthropologists ...

DRUID RITUALS—Long before
Christendom in Europe set aside
November 1 as Allhallow's, or All
Saints' Day, and the night before as
a hallowed eve, primitive peoples
had marked a day corresponding to
Hallowe'en as a time for placating
the spirits of the dead. To them it
was the end of the year, the begin-
ning of Winter. On that night Sam-
hain, Lord of the Dead, supposedly
gathered all the souls of those who
had been confined to the bodies of
animals upon death, and sent them
on to their final resting place.

DRUID SOOTHSAYERS of ancient
Gaul and Britain recited magic runes in
rings of stones, such as the great circle
at Stonehenge in Wiltshire. The Celts of
Scotland and Ireland gathered on windy
hillsides around huge fires. Human sacri-
fices were offered in grisly rituals. In
strange straw cages built in the shape
of giants or animals, criminals of the
tribe were confined. These were set afire,
and the victims roasted alive. Although
the Roman conquerors outlawed these
horrible sacrifices, the Druid beliefs per-
sisted in other forms. Black cats were
long thought to embody evil witches.
Even in the Middle Ages in Europe, such
cats were burned alive on Hallowe'en ...

WITCHCRAFT—Belief in witches
can be traced to the ancient
Egyptians, and witches are men-
tioned in the Old Testament. In
Christianity's battle to wipe out
witchcraft, ghastly executions took
place, surviving to the witch killings
of Puritan New England in the late
1600's. Masks have been associated
with man's dealings with the spirits,
both friendly and malevolent, since
ancient times. The jack-o'-lantern,
however, has a double meaning. It
makes a weird and shadow-casting
spook, but also it is carved from a
symbol of the fruitful harvest, which
has been connected with Hallowe'en
since the Roman feasts to Pomona,
goddess of the harvest ...

★ IRELAND'S imaginative folklore,
from which stems much of America's
Hallowe'en gaiety, tells one story of the
jack-o'-lantern. It seems that a stingy
and ill-tempered man named Jack was
barred from heaven for his misdeeds,
and from Hell because of pranks he had
played on the devil. Thus he was con-
demned endlessly to walk the earth
carrying a lighted lantern, a soul with-
out a resting place until the day of
Judgment.

YOUR HEALTH

By HERMAN N. BUNDESEN, M.D.

RECURRENT "tummy aches" in
childhood, are difficult for both parent
and child for, sometimes, the cause can-
not be found.

There is a tendency to minimize a
"tummy ache" in a child, and reluctantly
shrug off such complaints as being due
to emotional disturbance, over-eating or
improper eating. Causes cannot be found
in many cases, even after extensive
studies with X-rays and other devices.

However, it has been shown that many
children who have persistent complaints
of "tummy aches" may be suffering
from an ulcer of either the stomach or
the first part of the intestine, known as
the duodenum.

The increasing number of ulcers in
children being reported by different
doctors is an indication that this diag-
nosis was frequently overlooked in the past.

A suspicion of ulcer is warranted in
any child who passes blood in the stools
or vomits blood. These are the most
frequent symptoms seen in children.

Ulcers are, however, very different to
diagnose in a child. Children do not have
the clear symptoms that occur in adults,
such as a rhythmic type of pain, relieved
by food. In children, the pain may follow
eating.

Ulcers of the duodenum, or first part
of the intestine, are more frequently
found in young infants, usually between
the ages of six weeks and five months
than in older children. Ulcers of the
stomach itself are more frequent in the
child over ten years of age.

When a child has repeated episodes
of abdominal pain, vomiting or blood in
the bowel movements, it is most impor-
tant to have X-rays made to determine
the presence of an

Lions Defeat 49ers, 24-21

LAYNE HURLS VICTORY; Y. A. TITTLE HURT

DETROIT, Oct. 11 (AP)—The champion Detroit Lions bottled up San Francisco's feared 1-2 running punch of Hugh McElhenny and Joe Perry and defeated the 49ers, 24-21, to take over first place in the Western division of the National Football League today.

A record pro football crowd for Briggs stadium—58,078—saw the Lions whip the 49ers for the first time since 1950. San Francisco had defeated Detroit five straight times but an injury to quarterback Y. A. Tittle hurt them and the Lions took over the divisional lead with a 3-0 record.

The 49ers, who had won their first two games in comeback fashion, tried hard to do the same today but Tittle, their crack quarterback, suffered a possible broken jaw while scoring a touchdown in the third period. He missed the final 22 minutes of play, and without him the 49ers couldn't get an effective attack started for the entire fourth period.

McElhenny, a slippery hipped halfback, carried the ball 14 times and made only 16 yards. Perry, a bruising fullback, carried 10 times and made only 21 yards.

Leading 17-14 at halftime, the Lions clinched the victory after four minutes of the third period when Bobby Layne bulletted a 49-yard touchdown pass to end Leon Hart. The Lions' giant end took the ball on San Francisco's 26 and rumbled into the end zone with the winning points as two 49er defenders fruitlessly chased him.

Scarbach Tosses Skins to 13-9 Win Over Giants

WASHINGTON, Oct. 11 (AP)—Rookie Jack Scarbach pitched two consecutive passes for a total of 88 yards today to send the unbeaten Washington Redskins home in front of the stubborn New York Giants, for a 13-9 victory.

Scarbach's two strikes gave the Redskins a 10-0 lead they never surrendered as the Giants aerial assault ran afoul of an alert Washington defense that picked off five interceptions.

Bill Dudley, the veteran from Virginia, put the game beyond the Giants' reach with two field goals that helped send the Giants down for the third straight time in the National Pro Football league race. Not since 1932 has a Giant team lost its first three games.

ESSENTIALLY, it was a rugged battle, with the decision settled by the superiority of the Washington defense, headed up by Don Doll, who intercepted three passes, and end Gene Brito, who was in the Giants' hair all afternoon.

The Washington touchdown, in the first quarter, came on consecutive passes from Scarbach to Charlie Justice and Hugh Taylor, the first for 51 yards, the payoff one for 37.

The Giants' lone score came on an intercepted pass midway through the second period. Tom Landry grabbed a toss by Eddie LeBaron on the Redskins 36 and lateraled to Frank Gifford, who went over standing up.

Joe Sostilio Wins

READING, Oct. 11 (AP)—Joe Sostilio, East Natick, Mass., won the first annual Bill Schindler 50-mile memorial AAA auto race today by thundering home in 47:42.36, a half mile in front of Ernie McCoey, Reading, before 10,200 fans at Reading fairgrounds.

Late Field Goal by Bolkovac Gives Steelers 31-48 Triumph

PITTSBURGH, Oct. 11 (AP)—Quarterback Jimmy Finks' adroit passing and tackle Nick Bolkovac's 28-yard field goal late in the final quarter gave the Pittsburgh Steelers a 31-28 victory over the Chicago Cardinals today in a National Football league game.

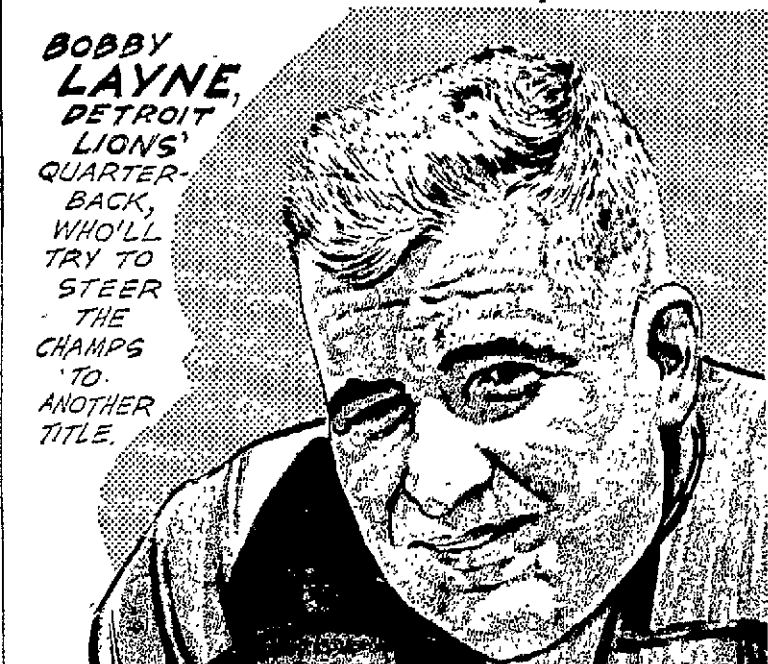

Bolkovac's three-pointed follow-up pass interception by halfback Art DeCarlo. The Steelers knotted the count at 28-28 with two touchdowns in the same quarter.

Finks heaved two touchdown passes—25 yards to Ray Mathews in the third quarter and four yards to end Ed Barker in the final period. He threw 44 aerials completing 23. Three were intercepted.

Fullback Fran Rogel bowled over for the other Steeler scores. He smacked over from the one after a 67-yard march by the Steelers in the first, and again in the third period to cap a 76-yard sustained drive.

QUARTERBACK Jimmy Root hit end Gern Nagler with a 31-yard heave in the first quarter to set up

Enke, Taliaferro Lead Baltimore Colts Take Bears 2d Time, 16-14

CHICAGO, Oct. 11 (AP)—Revved up by passer Fred Enke, who pitched two touchdowns, and George Taliaferro, a demon ground gainer, the Baltimore Colts today defeated the Chicago Bears for the second time in the National Football league season, 16-14.

About the best thing the Bears could do was to hook up a desperation passing attack in the final three minutes of the game. It paid off in a 50-yard scoring thrust ushered by aerialist George Blanda, who rifled the ball five yards to Bill McColl for the touchdown.

But that was nearly all the attacking strength the Bears showed, and when it was all over, with Chicago dropping its second game in three NFL starts, there were boos from the Wrigley field crowd of 35,318. The Colts downed the Bears in Baltimore earlier 13-9.

Enke connected on 14 out of 31 passes for 236 yards, hitting Dan Edwards on a 15 yard touchdown toss in the third period and Buddy Young on a 28-yard scoring pitch in the fourth.

Buck McPhail converted once and Tom Reelichar added a 31-yard field goal in the second.

THE BEARS took a 7-0 lead in the first quarter on a gift. Taliaferro's fumble was recovered by the Bears' Don Kindt on the Baltimore 6. Blanda eventually passed for the distance to McColl and booted the first of his two extra points.

Reichichar added his field goal in the second and Baltimore trailed 7-3 at the half.

At the outset of the third, Enke's 54 yard pass play to Taliaferro set up his 15-yard scoring toss to Edwards. McPhail's placekick was blocked by Kindt.

The Bears, now lagging 9-7, surged 57 yards to the Colts 23 before John Dettley fumbled away the ball. Later Dettley also lost the ball on the Colts 46.

Baltimore clinched it in the fourth on an 89 yard drive featuring John Huzar's 15 yard run, Enke's 11 yard toss to Young and a 15 yard personal foul penalty called against the Bears, Enke capped it with his 28 yard pass to Young.

The Colts gained 324 yards passing and running to the Bears, 235.

Wildcats Win First of Season Over BC, 15-7

BOSTON, Oct. 11 (AP)—After being battered by three Southern rivals, Villanova resumed its intraseasonal football competition by defeating winless Boston college, 15-7, today at Fenway park.

After registering two points with an early safety, Villanova held the upper hand throughout, thanks to a 38-yard touchdown pass from Joe McNicholas to Gene Filipinski and Don McComb's 45-yard scoring runback with an intercepted overhead.

Boston college, which opened its season by tying Clemson and being overwhelmed by Louisiana State, had three scoring chances before fullback Tom Magnarelli ended a 62-yard drive by slamming five yards for a touchdown as the final period opened.

Beaten by Georgia, Texas and Wake Forest, Villanova's victory-hungry Wildcats convinced the 11,901 spectators it was their day by gaining their safety soon after the opening kickoff.

Sops Spark Illini Upset by Illinois Over Ohio State Headlines Weekend Gridiron Picture

NEW YORK, Oct. 11 (AP)—Illinois held the balance of power in the Big Ten football today following its stunning upset of Ohio State while Michigan and Michigan State remained unbeaten on the strength of late rallies.

The bedeviled Buckeyes, ranked third nationally in the latest Associated Press poll, were cut to ribbons by the running of Illinois halfbacks Mickey Bates and J. C. Caroline in a 41-20 rout. The Illini don't meet the Spartans this season but tangle with Minnesota and the Wolverines at home and dangerous Northwestern at Evanston in decisive games.

Sophomore Lou Baldacci's successful conversion following a fourth period touchdown saved fifth place Michigan 14-13 against Iowa while Michigan State, No. 2, had to muster 19 points in the finale to overcome a surprising Texas Christian aggregation 26-19.

Meanwhile, injury-ridden Purdue had eighth-rated Duke in trouble before succumbing 20-14 with split-T quarterback Jerry Barber scoring the clincher in the last 40 seconds.

Notre Dame, first choice among the college teams, had an open date.

Elsewhere Southern California, No. 7, outplayed by Washington's youthful but aggressive Huskies, called on Aramis Dandoy for a 70 yard kickoff return and a Lindon Crow for a 78-yard pass interception runback to salvage a 13-13 tie.

Ninth-ranked Baylor came from behind to grind out a hard-fought 14-7 decision over stubborn Arkansas.

GEORGIA TECH, No. 10, had an easy time of it for a change, defeating Tulane 27-13 for its 30th game without defeat. Fourth-rated Maryland breezed past Georgia 40-13 with quarterback Bernie Faloney pitching a pair of touchdown passes and scoring twice himself.

UCLA's Paul Cameron had paced a 13-0 victory over Wisconsin for the Bruins, No. 6, Friday night.

Oklahoma converted Texas miscues into touchdowns and then held on against a last period Longhorn uprising for a 19-14 triumph in the nationally televised contest at Dallas.

California, led by Paul Larson, shocked 52,000 onlookers at Philadelphia's Franklin Field with its 40-0 margin over a Penn team rated an even match for the Bears. It was the first loss after two victories for the Quakers.

Michigan State, now winner of 27 consecutive contests, looked for a breather against TCU after running up two straight Big Ten victories to jump ahead of the conference race. But the Horned Frogs from Fort Worth, taking advantage of a porous Spartan pass defense, used the air lanes to pile up a 19-7 third period advantage.

Fullback Evan Sionac sparked the surging comeback by scoring the tying touchdown on a 34-yard screen pass play from Tom Yewcic, kicking the tie-breaking extra point and intercepting a pass that set up the insurance score.

Illinois and Michigan gained 1-0 conference records off their

performance, but it was the underdog Illini who put on the impressive show. Ray Elliot's charges jumped to a three touchdown lead in the first period, saw it melt to a mere 21-20 advantage at halftime, then took complete command in the second half. Bates scored four times and Caroline twice. They accounted for 339 rushing yards between them.

With Iowa on the verge of its first triumph over Michigan in 29 years, third string quarterback Duncan McDonald kept the Wolverines on the track with a fourth down scoring pass to Gene Knutson. Baldacci, first string signal caller who had passed for the first score, added the extra point that made the difference.

Minnesota joined Ohio State below the leaders after a 30-13 upset of previously unbeaten Northwestern. Paul Giel, playing his best game to date, passed for two touchdowns and scored another.

AUBURN ROARED back with two last quarter scores to tie Jackie Parker-led Mississippi state 21-21 in a game which further complicated the Southeastern conference picture. It left the Tigers, Maroons, Georgia Tech and Alabama, 41-13 victor over Tulsa, with identical records of one victory and a tie which Georgia holds a 1-0-0 rating. Louisiana State, the budding power of the Bayou country, has two ties in as many SEC starts as a result of being held to a surprise 6-6 deadlock by upstart Kentucky. Mississippi gained its second triumph in three conference outings by whipping Vanderbilt 28-6.

In other games it was Pitt over Nebraska 14-6, Indiana over Marquette 21-20, Kansas over Colorado 27-21, Kansas State over Iowa State 20-12, Princeton over Rutgers 9-7, Yale over Columbia 13-7, Harvard over Colgate 28-26, Penn State over Boston University 35-13, Army over Dartmouth 27-0, Syracuse over Fordham 20-13 and Navy over Cornell 26-6.

Two Lead Services At Salvation Army

Sr. Major and Mrs. W. Arthur Bamford, Philadelphia, led services yesterday at the Salvation Army citadel on King street.

Both visiting officers spoke during the services; Major Bamford on the topic "Be Sure Your Sins Will Find You Out," Mrs. Bamford on "Friendship of Jesus."

At the morning service, the Major presented annual attendance and promotion awards.

Yesterday was the second Sunday in the citadel's "Prove Christ" series—a three-week program.

Next Sunday the visiting leaders will be Major and Mrs. Fred Jackson, also of Philadelphia SA headquarters.

body one cent for fighting dump fires."

He said the Philadelphia Steam Fire Engine company had fought fires there "probably as many times as we have. The Empires have answered four or five calls down there in the same 15-month period."

Roth said his men never objected to answering any calls, anytime, for any house, barn or any other type fire.

"But, he said, 'we object to being called down there time after time. This can go on forever!'"

ROTH SAID that even if the Good Wills had run down to the dump at 7:30 a. m. the past Thursday when Woodley called Chief Lindauer, "it still would have been too late."

"That fire was burning Tuesday night. It didn't only start on Wednesday night."

(Woodley told The Mercury he first learned of the fire on Wednesday night at 9 p. m.)

Roth had a different version of what happened on Friday afternoon, also.

Woodley told The Mercury that the Good Will truck arrived at the dump about 1 or 2 p. m. He said that after a disagreement, the driver turned around, without putting any water on the fire, and returned to the fire house.

Roth said that he drove in his

"Cash For Farmers!"

See Page 18

car to the dump at 2 p. m., examined the fire, and decided that it wouldn't do any good to put water on it.

He said that in his opinion the only solution was to use a bulldozer and dig up the rubbish since the fire was burning "from under."

He said he left word for Woodley to use a bulldozer. He then went on to say that after a fire drill at Rupert school, he returned to the dump.

With his pumper, a section of the fire on railroad property was extinguished, he said.

He said an argument then ensued between Woodley and himself.

He claimed that Woodley had his own bulldozer on the grounds but refused to use it to fight the fire.

The two men argued, Roth said, and a fist fight threatened.

Roth said he then spoke to Borough Manager Horace B. Gulden and that Gulden said he'd get a bulldozer for the job.

"My truck left the dump at 4:40 p. m.," Roth said.

WOODLEY explained the past Thursday night to The Mercury that he was not responsible for the fire because the borough had failed to provide him with the fire fighting equipment apparatus it had promised him.

According to Borough Manager Gulden, the borough was supposed to have provided Woodley with a pump and hose to fight such fires.

Provided he had that apparatus, Woodley would be responsible for all fires.

But Woodley pointed out that he had never been furnished the apparatus.

WHY?
We asked a group of 270 new employees why they had come to the Telephone Company to find a job. They gave many different reasons, but the three reasons that topped all others were these: (1) good starting salary; (2) opportunity for advancement; (3) full pay while learning. If one of these reasons appeals to you—or all of them—why don't you join these new employees? All you do is stop in at any Employment Office or Business Office listed in the Directory. If you prefer, call the Operator and ask for the Employment Office for Women. No experience is needed, and salaries are good from the start.

Man Defaults Fine, Gets 15 Days in Jail

A motorist with a near-empty bottle of wine was arrested by North Coventry Chief Daniel W. Guldin on River road Saturday afternoon.

Charles C. Farnsworth, Reading, was charged with being drunk and disorderly.

He pleaded guilty to both charges at a hearing before Norco Justice of the Peace Ralph W. Ralston, South Pottstown, yesterday afternoon.

He was committed to Chester county prison, West Chester, for 15 days in default of payment of a \$10 fine and costs.

When Guldin made the arrest Farnsworth had in his possession the bottle with only an inch of wine remaining.

Pottstown airmen scored a "first" on their breakfast flight to Dover Air Force base, Dover, Del., yesterday.

The 51 Airplane Owners and Pilots and Civil Air Patrolmen were the first civilians to land at the base on such a flight, the commanding officer told them.

Fred Reigner, AOPA secretary, on returning to Pottstown, called the flight "one of the season's most successful."

Seventeen planes made the flight, he reported.

At the Dover base the local pilots toured the facilities and watched sabre jet fighting planes go through their paces.

The next AOPA meeting will be held on Oct. 29 at Lakeside Inn.

YESTERDAY was a happy day for members of the Lower Pottsgrove Sportsmen's club.

At 10:30 a. m. club officers went through the ceremony of officially burning the mort-

gage.

The three men in the foreground are, left to right, Joseph Mack, Lower Pottsgrove supervisor; Robert Johnson, secretary of the club, and Hubert Rutter, club president.

New industries, new families—and in several cases, whole new communities—require greatly expanded telephone facilities. More than one third of Pennsylvania's 3,000,000 telephones have been installed in the last seven years!

TELEPHONES TELL THE STORY OF GROWTH

Since the first Pennsylvania Week, in 1946, the face of the state has changed. You see it in the dynamic new industries and in the sprawling communities that seem to spring overnight from farmland. But your surest measure of this progress is the telephone that you depend on daily.

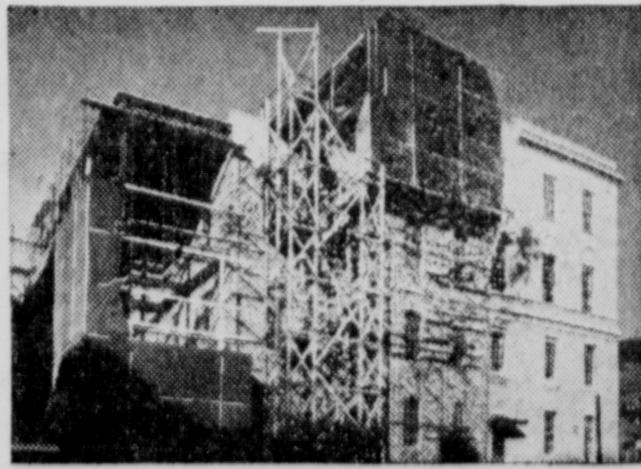

As Pennsylvania grows, thousands of new telephones must be installed. And as demand increases, existing service methods are improved and new methods devised. On this, the eighth observance of Pennsylvania Week, we move toward the future with one objective—to bring you the fastest and most flexible telephone service at the lowest possible cost.

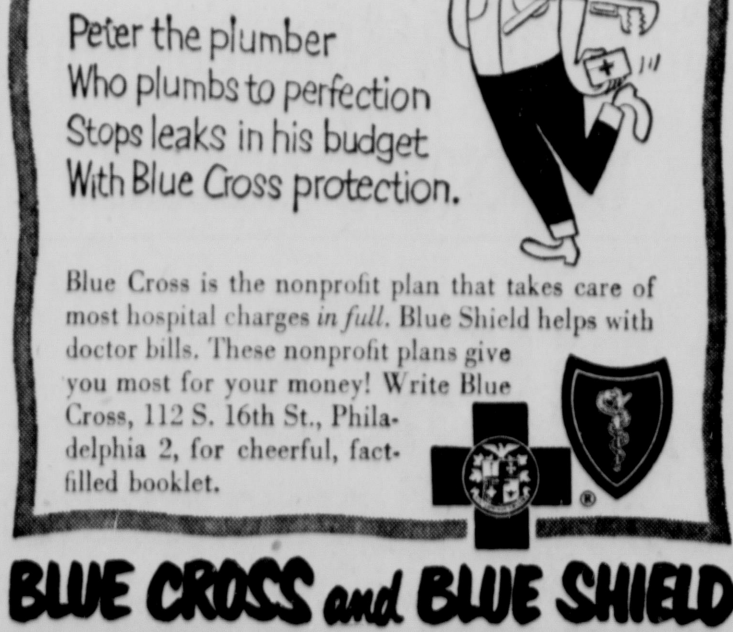

Telephone service here in Pennsylvania depends on the teamwork of 36,000 people—8000 of whom have joined the Telephone Company since 1946. Working with such new developments as "Push Button" dialing of Long Distance calls, shown above, they bring you the best possible service at the lowest possible cost.

Since 1946, the Telephone Company has installed nearly 4,000,000 miles of wire—99 percent of it in stormproof cable—to take care of Pennsylvania's growing requirements. These vital arteries link defense centers, serve rapidly expanding new communities.

In the last seven years, nearly a half-billion dollars has been spent on a continuing program of telephone construction. During this period, 88 new buildings have been completed, and important additions made to 93 others.

Maria Jane Shetler Weds State College Graduate At Double Ring Rites Performed in Spring City

—Photo by Bradford Bachrach
MRS. WILLIAM MEREDITH BULL JR., who before her marriage Saturday was Maria Jane Shetler, daughter of Mr. and Mrs. Luther Shetler, Spring City.

An afternoon ceremony in the Spring City Evangelical Lutheran church, Saturday, united in marriage Maria Jane Shetler and William Meredith Bull Jr.

Parents of the bride are Mr. and Mrs. Luther Shetler, Spring City. Mr. Bull is the son of Mrs. William Bull and the late William Meredith Bull, Merion.

Officiating at the nuptials was the Rev. Ralph L. Alderfer.

The bride, given in marriage by her father, was wearing imported white Cellini satin. The basque bodice featured an illusion neckline and an off-shoulder effect formed by folds of satin.

Long tapered sleeves of Chantilly lace were etched with iridescent sequins. Appliques of lace cascaded onto a billowy skirt of satin which extended into a chapel train.

A Juliet cap of lace traced with seed pearls and sequins anchored

the bride's fingertip veil of illusion. She carried a white prayer book topped with a white orchid and Stephanotis.

Mrs. John Pruitt served as matron of honor. Bridesmaids were: Loretta Neville, Mrs. Edward Willever, Adele Davis and Mrs. Allison McCown Jr.

Their floor length gowns were fashioned from creamy white taffeta. Bouffant skirts featured deep flounces of taffeta caught to back panels of matching nylon tulle.

Each attendant carried a

bouquet of happiness roses and bronze pompons. Their head decors were of bronze pompons and green velvet leaves.

Serving as best man was Allison McCown Jr. Ushers included: Walton Gibb, Edward Willever, Brower Wagoner and Gordon Urquhart 2d.

The mother of the bride wore a gown of mauve rose lace and nylon net with a corsage of bronze colored cypripedium.

Mrs. Bull chose a gown of blue lace and a corsage of pale pink

A reception at the Spring-Ford Country club followed the ceremony.

After a trip to Bermuda the bride and groom will make their home in Ardmore.

The bride is a graduate of Spring City High school and Susquehanna university. She is a member of the Kappa Delta sorority.

Mr. Bull is a graduate of Lower Merion High school and the Pennsylvania State college. He is affiliated with the Chi Phi fraternity.

Fred Glaes, George Hart Are Speakers At Banquet of Pottstown Rose Society

Baskets of roses and rose place cards made by Verna High and Mrs. Sadie Clewell formed appropriate favors at the second annual banquet of the Pottstown Rose society, held the past week at the Norco Grange hall.

Several bouquets and arrangements were also supplied by William Ludy Sr., organization president.

The Rev. Charles Traux offered the invocation.

"The Rose and I," was the topic chosen for his talk by Fred Glaes, president of both the Reading Rose society, and the Penn Jersey District of the American Rose society.

He also gave a short report on the recent rose show in Cape May, N. J. Local winners in the show were: Joseph Selagyi Jr., Mrs. Carl Ressler, William Ludy Sr., and Mrs. Edward Fritsch.

George Hart of the Conrad Pyle Nurseries addressed the group on the "All America Roses for 1954." He also showed a number of slides of the gardens of various rosarians all over the world. Included in his talk was a report on the new roses and their habits.

Plans are now being made to add several roses to the municipal rose garden at Memorial hospital.

Approximately 40 society members and five guests were served the turkey dinner by the Ladies Auxiliary of the Norco Grange.

Dorothy E. Gilbert, George Freyer Jr. Married in Gilbertsville Lutheran Church

A double ring wedding ceremony performed by the Rev. William Shaud, in St. Luke's Lutheran church, Gilbertsville, united in marriage Dorothy E. Gilbert and George Freyer Jr.

The bride is the daughter of Mr. and Mrs. Delroy Gilbert, Boyertown Star Route.

The groom's parents are Mr. and Mrs. George Freyer, Gilbertsville.

Before the wedding, William Erb, accompanied by Mildred Wagner, organist, Gilbertsville RD 1, sang, "Because," "O Promise Me" and "I Love You Truly."

The bride chose as her wedding outfit an eggshell colored sleeveless faille dress topped with a v-necked jacket with three quarter length sleeves.

She carried a white Bible with a white orchid on the top and streamers of lily of the valley.

Pearls and rhinestones studied her blue velvet hat. Her shoes were eggshell color interwoven with gold threads.

Matron of honor was Mrs. Russell Gresh Jr., Boyertown RD 2. Her red dress was styled similar to that of the bride's. The round neck of the jacket had a Peter Pan collar and the cuffs were black velvet. She also wore a black velvet hat. A nosegay of white roses formed her bouquet.

Performing the duties of the best man was Paul Knauer, Gilbertsville.

Immediately after the wedding the reception was held in the church memorial hall. It was attended by approximately 100 guests.

The bride's mother chose a black and white wool dress with black accessories. Her corsage was of white roses.

The groom's mother was dressed in black. A red rose corsage accented her outfit.

Both the bride and the groom attended Boyertown High school. Before entering the service Mr. Freyer worked as a carpenter. He recently reported to Camp Kilmer, N. J. and will soon leave for a European tour of duty.

Guests attended the nuptials from Philadelphia, Reading, Boyertown, Gilbertsville and Pottstown.

Ursinus Professor Talks to Leaguers About Suffrage

Junior Service League members met at the Brookside Country club the past week.

Speaker for the evening was Professor Sieber Pancoast, Political Science department, Ursinus college, who talked on the "Importance of Voting."

He pointed out the significance of one vote and the independent voter. He stressed the fact that voting is the major factor in the continuation of our representative government.

He also gave many reasons for the lack of voting in this country. Some of his points were that people do not appreciate their rights and privileges, the long process of election, the discouraging long ballot and the resident requirements for voters.

Preceding Professor Pancoast, a business meeting took place, presided over by Mrs. Earl F. Keiser.

A report on the progress of the Toy clinic was given by Mrs. James Christman. She also announced another toy collection for Saturday. Materials are still needed for making doll clothes.

UN COMMANDER GOES TO KOREA ON POW ISSUE

General Hull to Confer With Commission Officials

PANMUNJOM, Monday, Oct. 12 (U)—Gen. John E. Hull, the new United Nations Far East commander, arrives in Korea from Tokyo today on a trouble-shooting mission aimed at starting the stalled "explanations" to 22,500 anti-Communist war prisoners.

He will talk at Munsan with Allied officers now deadlocked with the Communists over building a winterized "Explanation Center" for Red persuasion attempts.

Hull also will confer with Swiss and Swedish members of the Neutral Nations Repatriation commission. It is his first trip to Korea since taking over the UN Command from Gen. Mark Clark.

Another high-ranking American, Ambassador to India George V. Allen, is on his way to Korea from New Delhi. He will get first hand information on differences between the UN Command and the Indian custodian force guarding the 22,500 Chinese and North Koreans, 335 South Koreans, 23 Americans and one Briton who refuse to return home.

INDIA is disturbed by South Korean threats to liberate the anti-Communist prisoners by force.

On Sunday, US Marine military police went on duty inside the demilitarized zone near the anti-Communist camp—apparently, at the request of the Five Nation Repatriation commission, headed by India. The Marines carried M1 rifles and wore shiny steel helmets painted with this legend: "D Z Police."

King of the Beasts Has Humiliating 'Tale'

ALESSANDRIA, Italy, Oct. 11—This is a sad and humiliating tale about the king of beasts and his tail.

Romeo, a circus lion here, tangled with a tiger through the bars of their adjoining cages. Romeo suffered such embarrassing injuries to his tail that it had to be amputated.

Now the circus managements want to sell him, saying "How can we display a bob-tailed lion?"

Newspaper Reports Officers Looking For Man's Body on Kidnaper's Farm

ST. LOUIS, Oct. 11 (U)—The Globe-Democrat reported tonight that officers are searching for the body of Thomas John Marsh in the belief he may have been killed by Carl Austin Hall in a plot to make it appear that the missing Marsh was the slayer of 6-year-old Bobby Greenlease.

The newspaper, in a dispatch from Kansas City, said the search has been extended to the Nodaway country farm of Mrs. Bonnie Brown Heady in northwest Missouri.

Both Hall and Mrs. Heady have admitted the Greenlease kidnapping but have denied killing the child. Hall named Marsh, a convicted sex offender, as the killer.

"My guess is that Marsh is dead and that Hall is trying to make him the 'fall guy' in the murder," the newspaper quoted Buchanan county Prosecuting Attorney John E. Downs.

"The way it stands now it looks like an ingenious plan on Hall's part to implicate Marsh."

THE NEWSPAPER quoted Downs further as saying it is possible that Marsh was killed by Hall even before the kidnapping as part of a plot to accuse Marsh of being the killer, if Hall were caught.

Yugoslavia Cancels Military Leaves, Threatens to Use Troops in Trieste

BELGRADE, Yugoslavia, Oct. 11 (U)—Yugoslavia canceled all military leaves today a short time after President Tito angrily warned that he would send troops into Zone A of Trieste "at the moment" Italy sends occupying forces into the area.

The new order applies to troops who were called up for the past month's army maneuvers—largest here since the end of World War II—as well as to regulars. More than 65,000 troops, about two-thirds of them reservists, participated in the exercises.

At the same time, Col. Gen. Kosta Nadi, commander of the Zagreb military district, where the maneuvers were held, was reported in Yugoslav-administered Zone B of Trieste inspecting the troop garrison, which has been reinforced in the past 24 hours.

(US Naval officials in London said there were three American destroyers at the port city of Trieste today, but said they were there on routine business not connected with the present crisis. British and American troops were getting ready to pull out of Zone A, but British diplomats predicted it would be six weeks before the withdrawal was completed.)

THE UNITED STATES and Britain—with 7000 troops now occupying Zone A, which includes the strategic port city of Trieste—announced the past week that they were pulling out and would turn administration of the zone over to Italy.

Yugoslav forces now occupy Zone B, surrounding Zone A, and a responsible American observer said last night he saw Yugoslav troops, tanks and artillery converging on the Free Territory.

Addressing a rain-drenched crowd estimated at 250,000 in the Macedonian provincial capital of Skopje, Tito declared:

"We are watching the Italian moves closely, and we will do so in the future. And, at that moment, when the Italian soldiers enter, we will enter also."

INTESTINAL FLU FBI Assistance Sought in Search For Fugitive Wanted in Pike Slayings

President Cancels Plans To Attend Church Services

WASHINGTON, Oct. 11 (U)—President Eisenhower was confined to the White House today with intestinal flu, but a spokesman said the President is expected to be in his office tomorrow.

The attack caused Eisenhower to cancel plans to attend church services, and Mrs. Eisenhower also remained at the executive mansion with the President. They had planned to attend services at the National Presbyterian church, along with members of the local chapter of the National Federation of Business and Professional Women's clubs.

Murray Snyder, assistant White House press secretary, said Maj. Gen. Howard McSnyder, the President's personal physician, reported that Eisenhower plans to resume his official duties tomorrow as usual.

The President's illness brought no announced change in a heavy schedule of travel during the coming week. Eisenhower is to go to Hershey, Tuesday evening for a Republican rally celebrating the eve of his 63d birthday, and he leaves two days later for appearances at Kansas City, Oct. 15, New Orleans, Oct. 17 and Falcon dam, on the Texas-Mexico border, Oct. 19.

A watch stolen from Shepard put police on Wable's trail. It turned up at a pawn shop in Cleveland, where the fugitive had been working at an industrial plant.

Police said Wable has been identified as the man who hocked the watch and also as owner of the foreign-made pistol used in the slayings. The pistol was found in a rooming house from which Wable had fled.

Since Thursday police have received hundreds of tips that Wable has been seen in different sections of Ohio and Pennsylvania. All have proved fruitless.

Major Hudock said the FBI will be asked to enter the hunt "since a thorough search of the State has failed to turn up a concrete clue."

PITTSBURGH, Oct. 11 (U)—State Police Maj. Andrew J. Hudock said today the FBI will be asked to join the spreading search for a "highly dangerous" fugitive wanted in the slaying of two truck drivers on the Pennsylvania turnpike.

Hudock said he will confer tomorrow with Westmoreland county Dist. Atty. L. Alex Sculco about a formal request for FBI assistance in the hunt for John Wesley Wable, 27-year-old industrial plant guard.

Ballistic tests by State police at Harrisburg, showed a foreign-made pistol believed owned by Wable was used in the two killings and wounding of another truck driver the past July.

Sculco said a murder warrant has been issued for Wable in the shooting of Harry F. Pitts, 39, Bowling Green, Va., and Lester B. Woodward, 39, Harrisburg.

The two men were shot in the head as they slept in their parked trucks along the super highway. Their bodies were found within three days of each other. Police said both had been robbed.

JOHN K. SHEPARD, 34, of West Alexander, was shot in the head and critically wounded a few days later as he slept in his truck on the western approach to the turnpike near Lisbon, Ohio. He is recovering.

SEN. KEFAUVER ASKS AIRING OF DEFENSE POLICY

Says People Entitled To Facts on Atomic Attack

WASHINGTON, Oct. 11 (U)—Senator Kefauver (D-Tenn.) said today the people are entitled to know if the joint chiefs of staff believe America's larger cities can't be defended against atomic attack.

Kefauver, a member of the Senate Armed Services committee, said in an interview that if atomic retaliation against an aggressor is regarded by the Nation's military chiefs as the best defense, the public should know that.

"I don't go along with the philosophy that we can afford to sacrifice masses of population in our big cities in case of an attack," he said. "I think something can be done to defend those cities and what can be done ought to be done, whether the budget is balanced or not."

The Tennessee senator said he will not be satisfied with an investigation of Continental defenses that Committee Chairman Saltonstall (R-Mass.) said is underway unless there is public testimony on defense policies by Secretary of Defense Wilson and military leaders.

"I think Admiral Radford should come in and say whether the joint chiefs feel there is no adequate defense except offense," he said. "Of course, some testimony could not be made public, but that pertaining to policies could."

Jaycees Will Back Hallowe'en Parade

With a series of meetings having taken place by members and committees of the Boyertown Junior Chamber of Commerce, it has definitely been decided that a Hallowe'en parade and a night of fun for all children of Boyertown and immediate vicinity will again take place this year.

For almost a week it appeared as though there might be no parade or observance of any kind this year as the former sponsor, of the event, the Community Activities fund of the Boyertown Businessmen's association, had decided not to conduct the affair because of lack of funds.

The exact date, time, place, route of parade, prizes and other details of the celebration, are expected to be announced the latter part of this week after several more committee meetings are held.

Turns Back on Fire, Acre of Brush Burns On His Kin's Land

The Boyertown fire department was summoned yesterday afternoon at 2:55 o'clock to a field fire on the property of Robert Gresh, near Little Oley.

Gresh's father-in-law, Daniel Herbst, had been burning rubbish and after turning his back from the fire for a short time, the blaze started in a field containing peach trees. After a futile attempt to quench the flames by himself, he ran to the house to summon Boyertown firemen.

Members of the Friendship Hook and Ladder company, headed by Fire Chief Jack Stauffer and the Keystone Fire company with company president, LeRoy Bender, on the scene, confined the burned area to approximately one acre. None of the fruit trees was destroyed and no buildings were in immediate danger.

The firemen used streams from each of the company's booster trucks as well as Indian tanks and rakes.

Max Nusscher, Albright college pre-ministerial student, taught the adult class in the Sunday school.

During the rally, Richard and Joan Smoker, son and daughter of the pastor, sang a duet, accompanied at the piano by Mrs. John L. Smoker.

Attendance at all services yesterday was 484.

Business Conditions During August Nudge Figures of Past Year

Business conditions in Pottstown area were better this past August than they were for the same month a year ago.

New highs for the month were noted for postal receipts and telephones, and motor sales were the largest since 1950, according to a report from the Public Information department of Pennsylvania State college.

General business in Pennsylvania from July to August of this year fell 6 percent, the report shows.

Pottstown showed building operations totaling \$398,465 for the month of August, a 246 percent increase from July 1952.

Building operations here fell off, however, from August 1952, the department reported.

The department reported that all 13 areas for which reports were computed showed gains over 1952, ranging from 31 percent at York to 4 percent at Scranton.

The index of general business, using the years 1935-1939 as having

Downs Williamson Trade

Hill Wins 3d Straight, 31-0

Every player on the Hill School squad saw action Saturday as the Hillers took an easy 31-0 win over Williamson Trade school.

It was the third win of the season for the Blues. The game was tight all through the first half, with Hill School only able to chalk up one touchdown in the second period.

In the closing minutes of the first frame, Walt Levering returned a Williamson punt from his own 31 to the Trade school's 47. Kanie Smith picked up three yards through the line, and captain Pete Jones followed up with five more, after which Smith carried for a first down on the Williamson 36. Steve Pyle went to the 30, and Jones to the 23, then to the 20 as the quarter ended.

Levering scored in the opening minutes of the second period. Jones carried to the six, but Levering was thrown back to the Williamson eight. On the next play Levering took Pyle's handoff and went off right tackle for the score. Dave Riordan's kick was good.

In the third quarter the lack of subs for Williamson began to tell, as the first-stringers became tired. Four plays after the kickoff, Levering bulled his way over right tackle for the score. Riordan's kick was no good.

After Hill's kickoff to Williamson, Hill fullback Rufus Safford, intercepted Pete Zimmermann's pass on the Williamson 30 and traveled to the visitor's 15. Dave Reidenour carried to the seven, and Safford scored from there, going off right tackle. Again Riordan's kick was no good.

SAFFORD SCORED his second TD in the last stanza after Bill Peabody took Reidenour's pass and went to the Trade school four. The pass covered 46 yards. Safford took the handoff and plowed through for the tally. Sammy Horner's try for the extra point was no good.

Reidenour scored the last TD of the game on a spectacular 40-yard run.

Handling the ball on an optional play, the speedy quarterback took advantage of Horner's key block to go the distance. Peabody's conversation attempt was no good.

The heavy scoring foot of Enrico Garcia paced Mercersburg Academy to a 4-1 soccer victory over Hill school Saturday.

The Mercer center forward booted home the first goal shortly after the game began and then headed in another in the third quarter.

Bob Hydemann brought the Hill back into the game with a scoring shot in the third but before the period ended Garcia handed out a pass to Joe Eyler, who sent the ball into the net for the third visitor tally. Eyler flicked a shot back over his shoulder for the final marker in the last period.

Schwenksville Beats Upper Dublin, 13-12, As Kerschner Stars

The long wait for victory finally ended the past week for Schwenksville High as the Bluebirds won two games under their new coach, Paul Bingaman.

The Schwenks came from behind to down Upper Dublin 13-12, at home Saturday afternoon. Earlier in the week they had upended the Perkiomen school jayvees, 31-0, as Ted Kerschner scored five touchdowns.

Kerschner also played an important part in Saturday's win as he scored a touchdown and threw a pass to Jay Fisher for the game-winning extra point in the third period.

The Dubliners scored first in the opening stanza as quarterback Bill Surgen pushed over from the three-yard line to cap a long march. The visitors made it 12-0 in the second period when fullback Bruce Elton covered the final eight yards for his team's second tally.

THE BLUEBIRDS got one TD back before the half ended. It came on a pass play from Kerschner to end Bob Reifsnnyder that covered 65 yards. The pass traveled about 20 yards in the air and Reifsnnyder legged it the rest of the way.

The winners' second touchdown was set up on another pass, thrown by Kerschner to Fisher. Jay caught the 10-yard heave near the Upper Dublin 20 and spun away from several tacklers to drive down to the one. Kerschner dove over center for the score.

He then passed to Fisher for the extra point.

Center Tom Newrock and guard Charlie Kulp were outstanding on defense. Al Loughery, in addition to doing some fine running and passing, made a pair of timely interceptions.

Bluebird fullback Mike Hader came through with several important short gains into the center of the line.

Now standing 2-1, Schwenksville will prepare for its game with North Coventry on Thursday night at Norco.

Bears Jar Shamrocks

Roy Reidell's plunge through the center of the line for an extra point provided the margin of victory for the Pottstown Bears yesterday as they eked by the Shamrocks 7-6, in a game played at Far fields.

Both teams scored in the final quarter. The SROcks scored on a pass play from Bob Weiser to George Carter, and a few plays later Ernie Haines bucked through center and went 18 yards for the Bears' marker. Reidell plunged for the winning point.

A BEAR ON THE MOVE—Crashing to earth after gaining six yards is Billy Endy, one of Boyertown's top ground gainers in the 30-14 win over Norco on Saturday. About to dive on Endy is Norco halfback John Brower. Other Norco players identified as Larry McAfee, 24, Jim Olexa, 30 and Bob Hewitt, 21. The Boyertown players seen are Jim Heydt, 27; Pete Fronheiser, 29; Duke Snyder, 26; and Greg Lignelli, at right.

Boyertown Overhauls Norco, 30-14

Upper Perkiomen Defeats Muhlenberg, 13-7

By ED TAGGERT

Charlie Fronheiser, dealer in headaches, disposed of the one he got a week ago at West Reading and inflicted it on North Coventry the past Saturday.

The scrappy Boyertown fullback ran wide and wild in the second half against the Norco Wildcats to lead his club to a 30-14 win, its third of the campaign against one defeat.

It was a comeback victory as Norco, looking for its first triumph in two starts, led 14-6 at halftime.

A concerned Bear came back from the dressing room and promptly launched its best ground attack of the season in the third quarter. And just about everywhere Charlie went the ball was sure to go.

Taking pichtouts from quarterback Greg Lignelli, Fronheiser averaged better than 10 yards on the nine times he carried the ball in the second half and scored two touchdowns. The Bears scored once in the third period to narrow Norco's lead to two points and then pounded out three more tallies in the final session to reach the 30 mark for the second time this season.

Norco was not without its stars, but practically all their heroics were confined to the first half. Halfback Ron Domin ran 85 yards with a kickoff return in retaliation to a touchdown the Bears had scored minutes before. The eventual victors were numbed by this play and it fired up the Wildcats to the point where the fans sensed an upset.

The Bears broke the scoring ice near the end of the first period when Davie Erb went around right end for 16 yards. The little halfback skipped a way from two tacklers behind the scrimmage, then straight-armed another at the 10 and managed to stay inside the flag as he was hit on the goal line. Ralph Borneman's extra point attempt was blocked.

PENALTIES had mired the Wildcats deep in their own territory all during the first quarter, but all their misfortune was forgotten on the ensuing kickoff.

Dave Clemens took Borneman's boot on the 15. Domin came around for a reverse from Clemens and raced up the center of the field. At the 30 he breezed through the line of Bear defenders. It was a thin line and once through, Domin had clear sailing as a couple of trailing blockers gave him protection.

Bob Hewitt booted the extra point and Norco was on top, 7-6.

Boyertown's Duke Snyder fumbled a punt on his own eight and Norco recovered late in the second period. Two line bucks by fullback Bill Whitlach moved the ball to the four, but a 15-yard penalty, Norco's third of that length, moved coach Al Brown's team back to the 19.

Undaunted by that turn of events, Clemens whipped a pass deep and down the middle to halfback John Brower who was behind the Boyertown defenders in the end zone. Hewitt again converted and the Wildcats led by a big eight points as the half ended.

Coach Warren Fry shifted his running attack from inside to outside and Fronheiser was the boy who made it click, along with some timely blocking from his mates.

The Muhlenberg Muhls played host to the Upper Perkiomen Indians Saturday, and wound up being skinned by a 13-7 count.

Two long payoff runs, one by Terry Fetterman, and another by Del Fritz, plus the booming kicks of Bob Smith spelled defeat for the Muhls, who were going for their second win in three starts.

With Don Stoudt, calling the plays and lugging the leather, the Muhls worked their way down to the Perk 13 in 13 plays after the opening kickoff.

Stoudt passed, ran, bootlegged, and pitched out to lead the Muhls on their downfield drive, but after getting as far as the Indian 13, Perk signal caller Fetterman dropped Stoudt back on the Perk 29.

Then Del Fritz went into his act to the Indian uprising.

Stoudt faded back, heaved, and the glue-fingered Fritz snagged the ball on his own 20, shook off several would-be tacklers, and streaked down the left sideline for an 80 yard jackpot jaunt.

Smith's conversion attempt was no good.

The second play after the kickoff, Frank took a pitchout from Stoudt and was on the way, rambling from the Muhl 24 to the Muhl 4, but just as he was about to break away, Fritz tagged him to put the clamps on the Muhls only scoring opportunity of the opening stanza.

Early in the second period, Smith's kick from his own 40 pushed the Muhls back to their own 10.

FETTERMAN THWARTED the Muhls second all-out aerial attack, when Geiss took Stoudt's screen pass on his own 30 and traveled to the Indian 45 before being nailed by Fetterman. Stoudt tried another pass, but bobbled the ball and the Indians recovered on the Muhlenberg 45.

After Fritz carried to the Muhls 32, a penalty put the Indians back on their own 40, and on the next play Barry Bates intercepted Fetterman's pass to set up the Muhls only tally.

Stoudt's toss to Dick Eyrich was good to the Perk 20. Scheidt tried right end to pick up one yard, and Geiss went in the opposite direction to the 16. Stuart Pyle went off left tackle to the 11, and Geiss went over from there, going off right tackle after taking Stoudt's handoff.

Cyphers' placement was good and the Muhls moved into a one point lead.

Smith carried the kickoff from his own 5 to the Perk 33, but the Indians made no headway and had to kick. The Muhls were held for a series of downs, and Ron Schaeffer punted to the Indian

Down Wyomissing

Cols Ride High in 38-25 Victory

Rolling up a total of 480 yards on the ground and in the air the Colonels of Collegeville raced to a 38-25 win over the previously unbeaten Sunsets of Wyomissing at Reading, Saturday.

Fran McManus and Bill Yeagle shared scoring honors for the Cols as they capped their second win in four starts. Long runs were the style as Yeagle, Tom Nolan and Gerry Hefelfinger broke loose time and again.

McManus, who did most of the team's passing scored on a pet play of the Cols that has been highly successful for them so far this season. After giving the ball on a lateral to Hefelfinger, McManus cut through the line and took a pass from Gerry good for nine yards and a TD.

The Cols scored again in the second period as Yeagle capped a 74-yard scoring drive by going the final yards around end.

BUT THE SUNSETS, who won their two previous starts over Schwenksville and Upper Dublin, bounced right back with a pair of

25 where Fritz fumbled. Cyphers grabbed the loose ball and went for what could have been the winning TD, but the officials ruled the ball dead, killing the Muhls last chance in the first half.

SMITH BOTTLED the Muhls up in the closing minutes by rocking them back on their heels with a kick that carried from his own 15 to the Muhl 40. A penalty on the play put Muhlenberg on the 26 as the half ended.

Early in the third period, after a series of handoffs and pitchouts by Fetterman failed to click, Smith again booted, this time from his own 20 to the Muhlenberg 34 where the ball rolled dead. Stoudt's passing and Geiss' running netted nothing, and Schaeffer booted from his own 20 to the Perk 35, where Fetterman reversed his field, emerged from a pile of groping Muhls, and sailed 65 yards for the score. Smith's dropkick was good.

A Smith kick from his own 35 that went out of bounds on the Muhlenberg 9 put the stubborn Muhls in the hole as the quarter ended.

As the last frame opened, Fritz roared off right tackle and tarveled 18 yards to the host's 12. Two plays later he skirted right end to the 10. Smith's pass on last down into the end zone was intercepted by Stoudt, who came out to his own 22 to save the Muhls from another scalping.

A SERIES of passes and hand-offs by Stoudt that brought the Muhls up to their own 42 fell as flat as a young bride's biscuits, as Jack Schmoeyer fell on Dick Eyrich's fumble of Stoudt's jump pass.

The Indians stymied the Muhls throughout the rest of the game, with another Smith kick, this time from his own 35 to the Muhl 15 helping in the bottling-up process. A Muhl fumble and a clipping penalty didn't aid their cause either.

The game ended with the Indians knocking at the door again, this time on the Muhlenberg 12 after Kenny Bozell recovered a Stoudt bobble on the 17.

Every guilty deed holds in itself the seed of retribution and undying pain.—Henry Wadsworth Longfellow.

End Tax-Dodging Racket

THIS is the time of year when the Pottstown tax collector presents to borough council a huge bundle of pages indited with thousands of names.

This is the list of exonerations requested for school per capita, occupational and borough occupational taxes.

The usual procedure following such presenting of the list is for some councilman to make a motion that the tax collector be exonerated from collecting the taxes.

Up to 1952 this merely was a formality. The list was approved and the taxes went uncollected.

But the past year something of a record was set when the tax collector asked that something like 2400 persons be excused from paying taxes in Pottstown. He presented a bundle of some 45 pages of single-spaced names that knocked the breath out of economy minded councilmen.

Not only was this a record list, but the amount of excused tax-paying amounted to more than \$50,000! It was broken down as follows: per capita, \$10,710; school occupational, \$21,967, and borough occupational, \$17,438.

This \$50,000 request made councilmen gasp, resulted in a plea that the list be examined carefully to see if some money could not be salvaged. After all, both borough and school board were direly in need of money. They could not afford to lose the huge sums.

It seems advisable that the borough and school district should go over such an exonerations list with a fine tooth comb. Some of the excuses for non-payment of taxes appear flimsy. Like "too old." Or "ill health," or "deserted by husband" or "widow, unable to pay."

Certainly there are some hardship cases. Mercy dictates that many aged and destitute should be excused from paying taxes. But the professional tax-dodger should be made to pay to protect the conscientious taxpayer.

Pottstown's school teachers, in a borough-wide canvass early this year, performed a magnificent job of restoring thousands to the taxrolls. Their work should not be undone by lackadaisical councilmanic treatment of the exonerations list.

The logical treatment of the tax-excuse request would be to put off until exonerations until the finance committee and the borough assessor have time to search out every name.

Were it not for the harm that might be done the innocent, it would be a good idea to publish the names of those seeking tax exonerations. That would expose those who dodge paying their just taxes, yet obtain the services of the municipality.

A Signal Honor

THE most signal honor that ever came to a Pottstown musical organization was accorded the Pottstown Band when it was designated to play for President Eisenhower's Hershey birthday party Tuesday.

Of all the bands in the State, of all the wonderful, older organizations, the Pottstown Band was picked. That's really a boost for the community. Pottstown has done it again!

It's a personal honor, too, for the band leader, William F. Lamb Jr. Mr. Lamb has played for President Ike often, only then it was General Eisenhower and the locale was Europe. Now he'll be able to play for his commander on home soil.

Pottstown's bandmen must be happy with the honor. You can bet they'll beat those skins, and blast those horns like they never did before to honor the president!

The Key To Peace

IN 1941, the Laymen's National Committee, a strictly non-sectarian organization, first sponsored National Bible Week. The idea was, and is, to encourage everyone to read the Bible a few moments each day, in the belief that this will help greatly in solving our individual and collective problems.

This year the week will be observed for the 13th time, beginning October 19.

The theme is, "The Bible, the Key to Peace."

A better theme could not have been chosen. For certainly it is clear that if peace ever is to come again to this troubled world, there must be a tremendous resurgence of spiritual values—and of those principles of conduct which the Bible stands for.

Read your Bible during the week—and every day thereafter.

Deplores Strike

To the Editor: I am a wife of one of the Flag employees who was forced out of work by the "so-called" strike. I say "so-called" because about 70 percent of the workers did not want to strike. This is a strike created by an organizer and union officials.

These officials hold no meetings to allow the workers to learn what is being done for their benefit! They just sit and wait, hoping some miracle will happen that will allow them to "save face," after making their unreasonable demands.

The other unions in town, also pledge their support—but only because they are working—they have nothing to lose!

We, the wives and mothers, have to sit by and watch our families without the necessities of life—going further into debt—Or watching our small savings dwindle day by day while these union officials do nothing.

Come on, wives and mothers—unite behind those who want to work and let's have Christmas in our homes, too!

Pottstown JUST A MOTHER.

'Slanted' News Reports Present Grave Danger

By DONALD M. EWING

Ray Tucker is on vacation, during which there will be guest columns by several prominent newspaper editors. Today's column is by Donald M. Ewing, associate editor of THE TIMES, Shreveport, La.

Some people—especially politicians—complain that "the newspapers never get anything right." The real wonder is that daily papers are so right in so much.

A moderate-sized daily may receive one, two or three hundred thousands of words daily of press association news alone, plus much other telegraph copy, all of its local news, and quantities of features by a score of writers. This must be sifted into a comparatively small number of thousands of words to be printed and all of it made attractive for the public market—all in a daily race against time where a few minutes delay may mean missing planes, trains and buses—and subscribers.

What is true in news speed is partly true even in editorials. Professors pondering for days or weeks over one short thesis should try grinding out a couple of thousand words on several subjects—including some research—in a few hours.

Actually there probably is no other business in which the ratio of precision and quality to speed and quantity of production is so great.

YET THE AMERICAN press today is, in my opinion, reaching a dangerous point in the quantity of slanted news reports embraced by front pages, as well as inside pages, over any given period of time. This does not necessarily mean intentionally slanted news stories.

Incomplete stories, poorly written stories, poor judgment in what goes on press association wires, lack of qualifications for a reporter to grasp what he is reporting, all may be entirely detached from any violation of integrity, yet the result to the reader is a slanted account of a National or international event.

Washington produces much good reporting these days, but also far too much that is bad.

One news story on one press association wire may hit more than 1000 front pages almost simultaneously—and thus go to tens of millions of readers. The evil of a slanted story is multiplied by radio and TV, for the air depends considerably on the press for its news reports and what its commentators comment on.

On top of this, the newspaper editorial writer must form his opinions and conclusions from slanted information and an editorial policy or opinion based on even some degree of falsity must be false of itself.

THE IMPACT of one slanted news story thus may be felt by tens of millions of readers and listeners, and increased by hundreds of editorials, all of this being the foundation on which public opinion is formed—not merely our own domestic public opinion, but public opinion of the United States in nations over the world.

Personally, I believe that much of the poor opinion in some nations concerning this Nation was sparked by slanted reporting on our side of the oceans.

Just as there is no issue here of wrong intent, neither is there any thought that newspaper reporting as a whole or in any large volume is slanted. The trouble rests in too much slanting of too much important news, particularly out of Washington.

The percentage of slanted reporting in a day's total volume would be infinitesimal in volume, yet could influence the course of a people, of a nation.

So they swallow a couple of sleeping pills to offset the exciting effect of their caffeine drinks. In cases like this, just omit the drinks and you will probably relax into deep sleep.

ALL AROUND THE TOWN

Goblins Are Out . . .

Hallowe'en Is Early . . .

★ TRICK OR TREAT—It's almost time (if it hasn't started already in your neighborhood) for spooks and witches to haunt your door, so better be ready with treats for all the Hallowe'en spirits that ring your doorbell!

Hallowe'en holds sway across the Christian world both as a children's night of delight and masquerade and as a solemn religious observance. But in the tangled history of this strange holiday, it was not always so. When youthful goblins in gargoyle masks race through Autumn's leaves and bonfires blaze in the dark, centuries fall away to a time of grim pagan rites well documented by anthropologists. . . .

DRUID RITUALS—Long before Christendom in Europe set aside November 1 as Allhallows, or All Saints' Day, and the night before as a hallowed eve, primitive peoples had marked a day corresponding to Hallowe'en as a time for placating the spirits of the dead. To them it was the end of the year, the beginning of Winter. On that night Samhain, Lord of the Dead, supposedly gathered all the souls of those who had been confined to the bodies of animals upon death, and sent them on to their final resting place. . . .

DRUID SOOTHSAVERS of ancient Gaul and Britain recited magic runes in rings of stones, such as the great circle at Stonehenge in Wiltshire. The Celts of Scotland and Ireland gathered on windy hillsides around huge fires. Human sacrifices were offered in grisly rituals. In strange straw cages built in the shape of giants or animals, criminals of the tribe were confined. These were set afire, and the victims roasted alive. Although the Roman conquerors outlawed these horrible sacrifices, the Druid beliefs persisted in other forms. Black cats were long thought to embody evil witches. Even in the Middle Ages in Europe, such cats were burned alive on Hallowe'en. . . .

WITCHCRAFT—Belief in witches can be traced to the ancient Egyptians, and witches are mentioned in the Old Testament. In Christianity's battle to wipe out witchcraft, ghastly executions took place, surviving to the witch killings of Puritan New England in the late 1600's. Masks have been associated with man's dealings with the spirits, both friendly and malevolent, since ancient times. The jack-o'-lantern, however, has a double meaning. It makes a weird and shadow-casting symbol, but also it is carved from a spook of the fruitful harvest, which has been connected with Hallowe'en since the Roman feasts to Pomona, goddess of the harvest. . . .

IRELAND'S imaginative folklore, from which stems much of America's Hallowe'en gaiety, tells one story of the jack-o'-lantern. It seems that a stingy and ill-tempered man named Jack was barred from heaven for his misdeeds, and from Hell because of pranks he had played on the devil. Thus he was condemned endlessly to walk the earth carrying a lighted lantern, a soul without a resting place until the day of Judgment.

Lions Defeat 49ers, 24-21

LAYNE HURLS VICTORY;
Y. A. TITTLE HURT

DETROIT, Oct. 11 (AP)—The champion Detroit Lions bottled up San Francisco's feared 1-2 running punch of Hugh McElhenny and Joe Perry and defeated the 49ers, 24-21, to take over first place in the Western division of the National Football league today.

A record pro football crowd for Briggs stadium—58,078—saw the Lions whip the 49ers for the first time since 1950. San Francisco had defeated Detroit five straight times but an injury to quarterback Y. A. Tittle hurt them and the Lions took over the divisional lead with a 3-0 record.

The 49ers, who had won their first two games in comeback fashion, tried hard to do the same today but Tittle, their crack quarterback, suffered a possible broken jaw while scoring a touchdown in the third period. He missed the final 22 minutes of play, and without him the 49ers couldn't get an effective attack started for the entire fourth period.

McElhenny, a slippery hipster halfback, carried the ball 14 times and made only 16 yards. Perry, a bruising fullback, carried 10 times and made only 21 yards.

Leading 17-14 at halftime, the Lions clinched the victory after four minutes of the third period when Bobby Layne bulletted a 49-yard touchdown pass to end Leon Hart. The Lions' giant end took the ball on San Francisco's 36 and rumbled into the end zone with the winning points as two 49er defenders fruitlessly chased him.

Scarath Tosses Skins to 13-9 Win Over Giants

WASHINGTON, Oct. 11 (AP)—Rookie Jack Scarath pitched two consecutive passes for a total of 88 yards today to send the unbeaten Washington Redskins home in front of the stubborn New York Giants, for a 13-9 victory.

Scarath's two strikes gave the Redskins a 10-0 lead they never surrendered as the Giants aerial assault ran afoul of an alert Washington defense that picked off five interceptions.

Bill Dudley, the veteran from Virginia, put the game beyond the Giants' reach with two field goals that helped send the Giants down for the third straight time in the National Pro Football league race. Not since 1932 has a Giant team lost its first three games.

ESSENTIALLY, it was a rugged battle with the decision settled by the superiority of the Washington defense, headed up by Don Doll, who intercepted three passes, and end Gene Brito, who was in the Giants' hair all afternoon.

The Washington touchdown, in the first quarter, came on consecutive passes from Scarath to Charlie Justice and Hugh Taylor, the first for 51 yards, the payoff one for 37.

The Giants' lone score came on an intercepted pass midway through the second period. Tom LeBaron on the Redskins 36 and lateraled to Frank Gifford, who went over standing up.

Joe Sostilio Wins

READING, Oct. 11 (AP)—Joe Sostilio, East Natick, Mass., won the first annual Bill Schindler 50-mile memorial AAA auto race today by thundering home in 47:42.36, a half mile in front of Ernie McCoy, Reading, before 10,200 fans at Reading fairgrounds.

Late Field Goal by Bolkovac Gives Steelers 31-48 Triumph

PITTSBURGH, Oct. 11 (AP)—Quarterback Jimmy Finks' adroit passing and tackle Nick Bolkovac's 28-yard field goal late in the final quarter gave the Pittsburgh Steelers a 31-48 victory over the Chicago Cardinals today in a National Football league game.

Bolkovac's three-pointer followed a pass interception by halfback Art DeCarlo. The Steelers knotted the count at 28-28 with two touchdowns in the same quarter.

Finks heaved two touchdown passes—25 yards to Ray Mathews in the third quarter and four yards to end Ed Barker in the final period. He threw 44 aerials completing 23. Three were intercepted.

Fullback Frank Rogel bowled over for the other Steelers. He smacked over from the one after a 67-yard march by the Steelers in the first, and again in the third period to cap a 76-yard sustained drive.

Enke, Taliaferro Lead Baltimore

Colts Take Bears 2d Time, 16-14

CHICAGO, Oct. 11 (AP)—Revved up and Tom Rechichar added a 31-yard field goal in the second.

THE BEARS took a 7-0 lead in the first quarter on a gift. Taliaferro's fumble was recovered by the Bears' Don Kindt on the Baltimore 6. Blanda eventually passed for the distance to McCall and booted the first of his two extra points.

Rechichar added his field goal in the second and Baltimore trailed 7-3 at the half.

At the outset of the third, Enke's 54-yard pass play to Taliaferro set up his 15-yard scoring toss to Edwards. McPhail's placekick was blocked by Kindt.

The Bears, now lagging 9-7, surged 57 yards to the Colts 23 before John Dettley fumbled away the ball. Later Dettley also lost the ball on the Colts 46.

Baltimore clinched it in the fourth on an 89-yard drive featuring John Huzar's 15 yard run. Enke's 11 yard toss to Young and a 15 yard personal foul penalty called against the Bears, Enke capped it with his 28 yard pass to Young.

The Colts gained 324 yards passing and running to the Bears 233.

Wildcats Win First of Season Over BC, 15-7

BOSTON, Oct. 11 (AP)—After being battered by three Southern rivals, Villanova resumed its intrasectional football competition by defeating winless Boston college, 15-7, today at Fenway park.

After registering two points with an early safety, Villanova held the upper hand throughout, thanks to a 38-yard touchdown pass from Joe McNicholas to Gene Filippski and Don McComb's 45-yard scoring runback with an intercepted overhead.

Boston college, which opened its season by tying Clemson and being overwhelmed by Louisiana State, had three scoring chances before fullback Tom Magnarelli ended a 62-yard drive by slamming five yards for a touchdown as the final period opened.

Beaten by Georgia, Texas and Wake Forest, Villanova's victory-hungry Wildcats convinced the 11,901 spectators it was their day by gaining their safety soon after the opening kickoff.

They drove Boston college back from its 29 on two plays, the second of which found Ray Rigney and Bob Volonino tackling passer Bill Stuka in the Eagles' end zone.

Filipski, former Army great, carried 11 times while totalling 89 of Villanova's 130 rushing yards. Captain Joe Johnson made 65 of Boston college's 105 overland yards with 15 carries.

THE SECOND semi-final was taken by Smith with Reinert, Allison, Billy Quicksell and Monk Keller eating his dust. Smith's time was 3:57.2 minutes.

Sherman took the consolation in 3:18.2 minutes with Bob Levengood in second place. Mose trailed Reinert and Bittling until the 11th lap of the feature, then took them. On the next lap the popular Pottstown chauffeur showed Smith his rear bumper and was in no trouble the rest of the way, as he breezed to his third win of the season at the local track.

In an added attraction, Ray Johnson won the destruction derby. Candy Smith was runnerup, followed by Wayne Carl and Sherman.

Sophs Spark Illini

Upset by Illinois Over Ohio State Headlines Weekend Gridiron Picture

NEW YORK, Oct. 11 (AP)—Illinois held the balance of power in the Big Ten football today following its stunning upset of Ohio State while Michigan and Michigan State remained unbeaten on the strength of late rallies.

The bedeviled Buckeyes, ranked third nationally in the latest Associated Press poll, were cut to ribbons by the running of Illinois halfbacks Mickey Bates and J. C. Carline in a 41-20 rout. The Illini don't meet the Spartans this season but tangle with Minnesota and the Wolverines at home and dangerous Northwestern at Evanston in decisive games.

Sophomore Lou Baldacci's successful conversion following a fourth period touchdown saved fifth place Michigan 14-13 against Iowa while Michigan State, No. 2, had to muster 19 points in the finale to overcome a surprising Texas Christian aggregation 26-19.

Meanwhile, injury-ridden Purdue had eighth-rated Duke in trouble before succumbing 20-14 with split-T quarterback Jerry Barger scoring the clincher in the last 40 seconds.

Notre Dame, first choice among the college teams, had an open date.

Elsewhere Southern California, No. 7, outplayed by Washington's youthful but aggressive Huskies, called on Aramis Dandoy for a 70 yard kickoff return and a Lindon Crow for a 78-yard pass interception runback to salvage a 13-13 tie. Ninth-ranked Baylor came from behind to grind out a hard-fought 14-7 decision over stubborn Arkansas.

GEORGIA TECH, No. 10, had an easy time of it for a change, defeating Tulane 27-13 for its 30th game without defeat. Fourth-rated Maryland breezed past Georgia 40-13 with quarterback Bernie Faloney pitching a pair of touchdown passes and scoring twice himself.

UCLA's Paul Cameron had paced a 13-0 victory over Wisconsin for the Bruins, No. 6, Friday night.

Oklahoma converted Texas miscues into touchdowns and then held on against a last period Longhorn uprising for a 19-14 triumph in the nationally televised contest at Dallas.

California, led by Paul Larson, shocked 52,000 onlookers at Philadelphia's Franklin Field with its 40-0 margin over a Penn team rated an even match for the Bears. It was the first loss after two victories for the Quakers.

Michigan State, now winner of 27 consecutive contests, looked for a breather against TCU after running up two straight Big Ten victories to jump ahead of the conference race. But the Horned Frogs from Fort Worth, taking advantage of a porous Spartan pass defense, used the air lanes to pile up a 19-7 third period advantage.

Fullback Evan Slonac sparked the surging comeback by scoring the tying touchdown on a 34-yard screen pass play from Tom Yewcick, kicking the tie-breaking extra point and intercepting a pass that set up the insurance score.

Illinois and Michigan gained 1-0 conference records off their

performance, but it was the underdog Illini who put on the impressive show. Ray Eliot's charges jumped to a three touchdown lead in the first period, saw it melt to a mere 21-20 advantage at halftime, then took complete command in the second half. Bates scored four times and Carline twice. They accounted for 339 rushing yards between them.

With Iowa on the verge of its first triumph over Michigan in 29 years, third string quarterback Duncan McDonald kept the Wolverines on the track with a fourth down scoring pass to Gene Knutson. Baldacci, first string signal caller who had passed for the first score, added the extra point that made the difference.

Minnesota joined Ohio State below the leaders after a 30-13 upset of previously unbeaten Northwestern. Paul-Giel, playing his best game to date, passed for two touchdowns and scored another.

AUBURN ROARED back with two last quarter scores to tie Jackie Parker-led Mississippi state 21-21 in a game which further complicated the Southeastern conference picture. It left the Tigers, Maroons, Georgia Tech and Alabama, 41-13 victor over Tulsa, with identical records of one victory and a tie which Georgia holds a 1-0-0 rating. Louisiana State, the budding power of the Bayou country, has two ties in as many SEC starts as a result of being held to a surprise 6-6 deadlock by upstart Kentucky. Mississippi gained its second triumph in three conference outings by whipping Vanderbilt 28-6.

In other games it was Pitt over Nebraska 14-6, Indiana over Marquette 21-20, Kansas over Colorado 27-21, Kansas State over Iowa State 20-12, Princeton over Rutgers 9-7, Yale over Columbia 13-7, Harvard over Colgate 28-26, Penn State over Boston University 35-13, Army over Dartmouth 27-0, Syracuse over Fordham 20-13 and Navy over Cornell 26-6.

"Doing Business for God at an Early Age," was the theme of the rally day sermon by the Rev. Isaiah Glenn, local pastor.

Music included singing by the junior choir directed by Mrs. Ester Jackson and accompanied by Nancy Jackson.

Other singing was by a group of primary children led by Mary Wal-

body one cent for fighting dump fires."

He said the Philadelphia Steam Fire Engine company had fought fires there "probably as many times as we have. The Empires have answered four or five calls down there in the same 15-month period."

Roth said his men never objected to answering any calls, anytime, for any house, barn or any other type fire.

"But, he said, "we object to being called down there time after time. This can go on forever!"

ROTH SAID that even if the Good Will had run down to the dump at 7:30 a. m. the past Thursday when Woodley called Chief Lindauer, "it still would have been too late."

"That fire was burning Tuesday night. It didn't only start on Wednesday night."

(Woodley told The Mercury he first learned of the fire on Wednesday night at 9 p. m.)

Roth had a different version of what happened on Friday afternoon, also.

Woodley told The Mercury that the Good Will truck arrived at the dump about 1 or 2 p. m. He said that after a disagreement, the driver turned around, without putting any water on the fire, and returned to the fire house.

Try and Stop Me
By BENNETT CERF

THE VAST OLD GRAND UNION Hotel in Saratoga is but a memory now, but native son Frank Sullivan recalls the days when society packed the premises, Victor Herbert conducted the orchestra and Monty Woolley's dad was the manager. That was years, of course, before young Woolley's chin bore even a remote hint of the sassafras that was later to become his trademark in Hollywood. . . . Sullivan secured a room once for Marc Connelly at the height of the season, but instead of being grateful, M. C. reported it was so far down the corridor that, "even on a clear day, I can't see the lobby."

As for his bed, Connelly declared it more uncomfortable than a slab of concrete, with spikes protruding therefrom. "That's a historic bed, you unfeeling lout!" protested Sullivan. "George Washington definitely slept in it." "Humph!" mused Mark. "Now I know why he survived Valley Forge."

They had just returned from a party, and the wife was slightly put out by her spouse's seeming lack of attention to her during the evening.

She: "Why is it I buy a beautiful evening gown and you never even notice it, but you get bug-eyed staring at every other woman in the place?"

Husband (sleepily): "Once you know what's in a package it doesn't make much difference how it's wrapped."

New industries, new families—and in several cases, whole new communities—require greatly expanded telephone facilities. More than one third of Pennsylvania's 3,000,000 telephones have been installed in the last seven years!

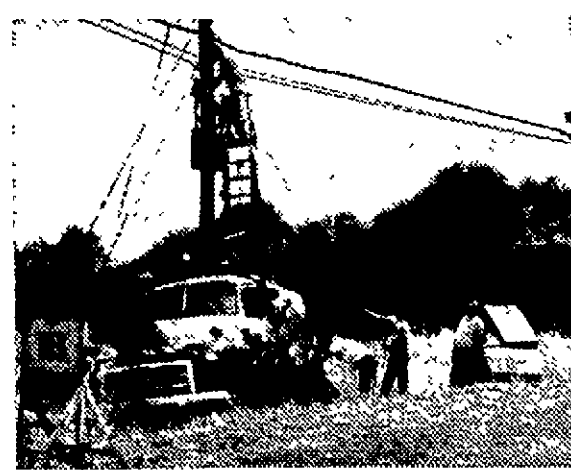

TELEPHONES TELL THE STORY OF GROWTH

Since the first Pennsylvania Week, in 1946, the face of the state has changed. You see it in the dynamic new industries and in the sprawling communities that seem to spring overnight from farmland. But your surest measure of this progress is the telephone that you depend on daily.

As Pennsylvania grows, thousands of new telephones must be installed. And as demand increases, existing service methods are improved and new methods devised. On this, the eighth observance of Pennsylvania Week, we move toward the future with one objective—to bring you the fastest and most flexible telephone service at the lowest possible cost.

Telephone service here in Pennsylvania depends on the teamwork of 36,000 people—8000 of whom have joined the Telephone Company since 1946. Working with such new developments as "Push Button" dialing of Long Distance calls, shown above, they bring you the best possible service at the lowest possible cost.

Since 1946, the Telephone Company has installed nearly 4,000,000 miles of wire—99 percent of it in stormproof cable—to take care of Pennsylvania's growing requirements. These vital arteries link defense centers, serve rapidly expanding new communities.

In the last seven years, nearly a half-billion dollars has been spent on a continuing program of telephone construction. During this period, 88 new buildings have been completed, and important additions made to 93 others.

Maria Jane Shetler Weds State College Graduate At Double Ring Rites Performed in Spring City

—Photo by Bradford Bachrach
MRS. WILLIAM MEREDITH BULL JR., who before her marriage Saturday was Maria Jane Shetler, daughter of Mr. and Mrs. Luther Shetler, Spring City.

An afternoon ceremony in the Spring City Evangelical Lutheran church, Saturday, united in marriage Maria Jane Shetler and William Meredith Bull Jr. Parents of the bride are Mr. and Mrs. Luther Shetler, Spring City. Mr. Bull is the son of Mrs. William Bull and the late William Meredith Bull, Merion.

Officiating at the nuptials was the Rev. Ralph L. Alderfer.

The bride, given in marriage by her father, was gownned in imported white Cellini satin. The basque bodice featured an illusion neckline and an off-shoulder effect formed by folds of satin.

Long tapered sleeves of Chantilly lace were etched with iridescent sequins. Appliques of lace cascaded onto a billowy skirt of satin which extended into a chapel train.

A Juliet cap of lace traced with seed pearls and sequins anchored

the bride's fingertip veil of illusion. She carried a white prayer book topped with a white orchid and stephanotis.

Mrs. John Pruitt served as matron of honor. Bridesmaids were: Loretta Neville, Mrs. Edward Willever, Adele Davis and Mrs. Allison McCown Jr.

Their floor length gowns were fashioned from creamy white tulle. Bouffant skirts featured deep flounces of tulle caught to back panels of matching nylon tulle.

Each attendant carried a

bouquet of happiness roses and bronze pompons. Their head decoors were of bronze pompons and green velvet leaves.

Serving as best man was Allison McCown Jr. Ushers included: Walton Gibb, Edward Willever, Brower Wagoner and Gordon Urquhart 2d.

The mother of the bride wore a gown of mauve rose lace and nylon net with a corsage of bronze colored cypripedium.

Mrs. Bull chose a gown of blue lace and a corsage of pale pink camellias.

A reception at the Spring-Ford Country club followed the ceremony.

After a trip to Bermuda the bride and groom will make their home in Ardmore.

The bride is a graduate of Spring City High school and Susquehanna university. She is a member of the Kappa Delta sorority.

Mr. Bull is a graduate of Lower Merion High school and the Pennsylvania State college. He is affiliated with the Chi Phi fraternity.

Christmas Dance Is Planned for All Area Teenagers

Mrs. Albert Pollick, adviser to the Memorial Teenagers, has announced that friends of the group are giving them a Christmas present in the form of a free dance. Youth of the surrounding community are also invited to attend.

The Kings Men will play at the affair scheduled for Dec. 23, at the armory.

Over 150 youths attended the Memorial Hospital Teenagers' dance Friday night in the armory. Green and orange crepe paper decorations, fall leaves and white birds formed the background for the festivities.

Mrs. Albert Pollick, Mrs. Edward Good and Mrs. George Govats were the chaperones.

Organization members met Saturday afternoon with Mrs. Virginia Harris, director of nurses at the hospital. She outlined their duties and explained to them the type of work they would be doing. The girls began their duties yesterday.

AN INFORMAL Fall wedding joined Mr. and Mrs. George Freyer Jr. Mrs. Freyer is residing at the home of her parents, Boyertown, during her husband's term with the Army.

Fred Glaes, George Hart Are Speakers At Banquet of Pottstown Rose Society

Baskets of roses and rose place cards made by Verna High and Mrs. Sadie Clewell formed appropriate favors at the second annual banquet of the Pottstown Rose society, held the past week at the Norco Grange hall.

Several bouquets and arrangements were also supplied by William Ludy Sr., organization president.

The Rev. Charles Traux offered the invocation.

"The Rose and I" was the topic chosen for his talk by Fred Glaes, president of both the Reading Rose society, and the Penn Jersey District of the American Rose society.

He also gave a short report on the recent rose show in Cape May, N. J. Local winners in the show were: Joseph Selagyi Jr., Mrs. Carl Ressler, William Ludy Sr., and Mrs. Edward Fritsch.

George Hart of the Conrad Pyle Nurseries addressed the group on the "All America Roses for 1954." He also showed a number of slides of the gardens of various rosarians all over the world. Included in his talk was a report on the new roses and their habits.

Plans are now being made to add several roses to the municipal rose garden at Memorial hospital.

Approximately 40 society members and five guests were served the turkey dinner by the Ladies Auxiliary of the Norco Grange.

Dorothy E. Gilbert, George Freyer Jr. Married in Gilbertsville Lutheran Church

A double ring wedding ceremony performed by the Rev. William Shaud, in St. Luke's Lutheran church, Gilbertsville, united in marriage Dorothy E. Gilbert and George Freyer Jr.

The bride is the daughter of Mr. and Mrs. Delroy Gilbert, Boyertown Star Route.

The groom's parents are Mr. and Mrs. George Freyer, Gilbertsville.

Before the wedding, William Erb, accompanied by Mildred Wagner, organist, Gilbertsville RD 1, sang, "Because," "O Promise Me" and "I Love You Truly."

The bride chose as her wedding outfit an eggshell colored sleeveless faille dress topped with a v-necked jacket with three quarter length sleeves.

She carried a white Bible with a white orchid on the top and streamers of lily of the valley.

Pearls and rhinestones studied her blue velvet hat. Her shoes were eggshell color interwoven with gold threads.

Matron of honor was Mrs. Russell Gresh Jr., Boyertown RD 2.

Her red dress was styled similar to that of the bride's. The round neck of the jacket had a Peter Pan collar and the cuffs were black velvet. She also wore a black velvet hat. A nosegay of white roses formed her bouquet.

Performing the duties of the best man was Paul Knauer, Gilbertsville.

Immediately after the wedding the reception was held in the church memorial hall. It was attended by approximately 100 guests.

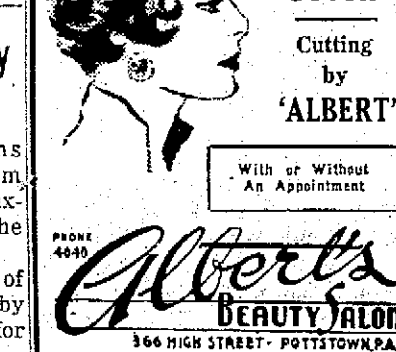

The bride's mother chose a black and white wool dress with black accessories. Her corsage was of white roses.

The groom's mother was dressed in black. A red rose corsage accented her outfit.

Both the bride and the groom attended Boyertown High school. Before entering the service Mr. Freyer worked as a carpenter. He recently reported to Camp Kilmer, N. J. and will soon leave for a European tour of duty.
